Key teachers transfer to new High School

Upland, Montclair, Alta Loma and Chaffey High Schools will lose a total of 26 administrative and teacher employees to new Ontario High now under construction which is expected to open this fall.

Montclair's Principal Lyle Fry, the first administrator for that school when it was opened in 1960, leads the list of transfers. Upland High will lose Paul A. Chapman, history teacher of seven years tenure at that institution as well as Theodore C. Mann, English teacher of seven years standing.

Alta Loma and Chaffey High Schools will also suffer the loss of experienced key personnel.

Transfers to the new high school have been entirely voluntary, Alexander McLeish, associate superintendent of the Chaffey Union High School District said yesterday.

"Voluntary transfers make for a happier staff and ideally the district would like for the new faculty to be made up of those who have chosen it," McLeish said. "However, the school is not completely staffed and the district may find it necessary to transfer some who have not requested it."

Included in the voluntary transfers are eight classified employees--secretarial, clerical and maintenance personnel.

Mrs. Alma B. Polk, librarian at Montclair High School, another transfer, has 12 years in the district. She started the Montclair school library and will do the same at the new school. This will be the third library she has organized in a new school.

The complete list of personnel transferring to the Ontario campus, released to the News yesterday is as follows:

COUNSELORS

William Bayless, English and Journalism teacher at Chaffey; V. Monroe Lair, Mathematics teacher at Chaffey; Fred Manville, English teacher at Upland.

TEACHERS

Douglas V. Brooks, Physical education teacher at Upland, will be varsity football and wrestling coach.

Paul A. Chapman, History teacher at Upland, will be history department chairman and teacher.

Clyde Francisco, Counselor at Chaffey, will be chairman of boys' physical education department and will coach baseball.

Mrs. Mary Grable, special education teacher at Chaffey.

Ernest Gregoire, Science teacher at Alta Loma, will teach science and will be varsity track coach.

Mrs. Margery A. Katzka, Homemaking teacher at Chaffey.

Mrs. Mary Keister, Girls' physical education teacher at Chaffey.

Arthur Lundahl, Mathematics teacher at Montclair.

Theodore C. Mann, English teacher at Upland, will be English department chairman and teach English.

Henry Manor, driver training teacher at Montclair, will be driver education department chairman.

Brian Marshall, physical education teacher at Chaffey, will be varsity basketball coach at Ontario

William C. McCombs, Science teacher at Montclair, will be science department chairman and teach science.

Joseph Medure, Science teacher at Chaffey.

Robert Papsdorf, Industrial arts teacher at Chaffey, will be industrial arts department chairman.

Mrs. Alma B. Polk, Librarian at Montclair.

Norman Smith, Music teacher at Montclair.

Ernest Snyder, Industrial arts teacher at Chaffey.

Mrs. Carolyn Vanderploeg, business education teacher at Montclair, will also be department chairman.

Miss Calista Wehrli, girls' physical education teacher at Chaffey, will also be department chairman.

Ronald West, Mathematics teacher at Chaffey.

Lyle Fry, principal, and Steven Botters, assistant principal, are from Montclair.

DIRECTOR OF STUDENT ACTIVITIES

James Copp, music teacher at Chaffey.

CLASSIFIED EMPLOYEES

Mrs. Laura Schwandt, formerly Mr. Fry's secretary at Montclair is continuing in this same position at Ontario.

Mrs. Violet Griffin, records clerk at Montclair, will have same position.

Mrs. Normagene Reinhardt, switchboard operator-receptionist at Montclair, will have same position at Ontario.

Clinton Pruitt, campus foreman of grounds at Upland, will hold same position.

Boyd Hayes, assistant campus foreman of operations at Montclair, will be campus foreman of operations at Ontario.

Mrs. Myrtle Johnstone, cafeteria manager at Alta Loma, will hold same position.

Earl Deeming, locker room attendant at Chaffey, will be athletic trainer at Ontario.

Mrs. Dorothy Collins, Library assistant at Montclair, same position at Ontario.

Unification is same old proposal...

-see editorial page-

Annexation power plot charged

PART OF COMMUNITY--Col. Joseph A. "Jeb" Stuart is pictured to a membership meeting of the Upland Chamber of Commerce Monday, noon at Upland Inn. He told his audience, including Mayor James Christensen (At left) Norton Air Force Base had a military mission to achieve but its personnel were "part and parcel" of the inland community including Upland. He said many airmen lived in town and took part in civic affairs.

Mayor claims Ontario out to take in Cucamonga with plant

Upland City Council members Tuesday took as a rebuff a proposal of the Cucamonga County Water District and the city of Ontario to jointly own a system for collection and treatment of sewerage.

Mayor James L. Christensen, although cautioned to keep a cool head by Councilman D. M. Hawkins, Jr., viewed the feasibility study just released as an attempt by Ontario to eventually annex the Cucamonga area.

He appointed a special study committee of himself, Councilman Ronald L. Rossitter and City Manager Elwin Alder to work with the people of Cucamonga to avoid annexation pressure from Ontario.

"The report speaks for itself," Mayor Christensen said. "It refers to the city of Ontario's sewerage treatment plant when actually it is jointly owned by Upland and Ontario."

The mayor said the zone of influence of the city of Upland should take in the Red Hills section to the Cucamonga Wash. He also said too few people would benefit immediately, mostly large industrial tract owners in the Cucamonga area and not ordinary citizens.

"Let's not approach this half cocked," advised Councilman Hawkins, "I am sure the city of Ontario will come to us with the plans. Let's wait and see what they will do and not get up on a high horse."

Councilman Rossitter said Ontario and the Cucamonga County Water District should have taken the city of Upland into the original exploration of the plan.

"Why was the city of Upland omitted," he said. "We own the plant with them. We should have been in on the planning in the beginning."

To which Councilman Hawkins returned: "Let's be happy we didn't have to share the cost of the feasibility study."

"I think we should have been invited in on the study," Councilwoman Zella H. Stone said. "It wasn't very thoughtful of them."

City Manager Alder introduced the item on the agenda. He said the feasibility report was being presented Tuesday night to the Ontario City Council and he felt sure a request for a joint meeting with Upland would be made in which the problem could be discussed and resolved.

Alder pointed out the city of Upland was protected as the joint ownership agreement with Ontario stipulates no sewerage flow other than that of the City of Upland and Ontario can be treated at the plant.

"And you can expect officials of Ontario to use that as a tool to get Cucamonga to annex," said Mayor Christensen.

The feasibility study made by James M. Montgomery, Consulting Engineers, Inc. presented four alternate plans for collection and treatment of sewage.

The report recommends joint ownership by Ontario and the Cucamonga District as the most economical feasible. It said this system terminates at the existing Upland-Ontario treatment plant site is of sufficient size to accomodate treatment plant facilities necessary to handle all expected sewage flows from the Cucamonga County Water District, the city of Upland and the city of Ontario.

It recommended installing a trunk sewer tie connecting the Cucamonga treatment site with the Upland-Ontario plant now.

City Manager Alder told the council sewage treatment was a serious problem. He said the two cities of Upland and Ontario developed the sewage treatment plant in 1941 and had enjoyed a friendly working agreement ever since.

"The real problem," he said, "is faced by Cucamonga."

City Manager Alder told the council sewage treatment was a serious problem.

Alder said he favored a plan whereby Cucamonga would buy into the existing treatment plant and Ontario would share in the cost.

"The real problem," he said, "is faced by Cucamonga."

Commission to take new look at Mountain Ave

Zoning on Mountain Ave. from 15th Northward to the new Foothill Freeway will be discussed by Upland Planning Commission members at the next meeting at 7:30 p.m. Thursday April 27.

The Commission has asked its planning consultant Simon Eisner, to come to the meeting with a "study session" presentation on exactly what the situation is along Mountain Ave.

In past years the old City Council had rezoned Mountain "Commercial," but with the shift in Councilmen nearly three years ago, Mountain Ave. partially was restored in what was termed a "compromise" as to zoning.

With the Planning Commission now studying the entire city by quarters, eventually precise recommendations will come before the Planning Commission for areas throughout the city.

Mountain Ave., with the new annexation of the Cable Airport and the proposed recreational area around the airport, has called for a "new look" of Mountain, particularly the various kinds of zoning now anticipated, the Commission felt.

Meet, hear candidates

Be sure to meet the candidates and listen to their platforms at 7:30 p.m. Wednesday, April 5, in the Upland Elementary School auditorium.

Thursday, April 6, at 7:30 p.m. in the Upland High School Cafeteria voters can meet in and listen to candidates for the Chaffey Union High School District board of trustees.

Final rites planned for accident victims

Seven persons were killed -- three from Upland and one from Cucamonga -- in one of the worst West End highway disasters in history early Sunday, April 2, when two cars collided head-on at high speeds on rain-slick Foothill Boulevard east of Baker Avenue.

Bereaved relatives of two of the dead are holding funerals today, April 5. Four services are scheduled for Thursday, April 6, and one is pending notification of a relative in Vietnam. Combined funeral rites will be held for three of the victims.

The lone survivor, Michael M. Manos, 47, Los Angeles, was listed in critical condition at San Antonio Community Hospital Tuesday noon. Highway Patrolman said he owes his life to an Upland physician who performed a tracheotomy by flashlight at the scene of the crash to relieve the victim's labored breathing.

Dead are:

James H. Rivers, 23, of 1367 Winston Court, Upland; John P. Ricci, 25, 280 Amber Court, Upland; Rudolph A. Gomez, 24, 852 North Fifth Avenue, Upland; Manos' wife Irene, 49; Leonard Gay Wilson, 26, 849 Madrone, Cucamonga; Albert Parigan 48, of 2365 Prospect Way, Diamond Bar; and his wife, Ann, 46.

The collision occurred at 12:45 a.m. Sunday on Foothill Boulevard 490 feet east of Baker Street in the Cucamonga area. Officers said the westbound car, driven by Wilson, crossed over the center line and skidded broadside into the path of the eastbound vehicle, driven by Parigian.

The stretch of highway on Foothill at Baker is considered a hazardous area by experienced drivers familiar with it. Tuesday, April 4, at 8:20 a.m., the second day following the fatal crash, a driver lost control of his car and collided into the embankment. No injuries were reported.

Both death cars in the Sunday accident were estimated to be at the speed limit, 50 miles per hour, at the time of impact, officers said.

Wilson and his passengers, Rivers, Ricci and Gomez, were thrown from the car. Gomez was discovered dead in a field 75 feet away. Rivers was found dead in the eastbound right-hand lane.

Wilson and Ricci died later in the San Antonio Hospital.

The occupants of the second car were not thrown out. Parigian was dead behind the steering wheel, his wife dead beside him, and Mrs. Manos dead in the left rear seat.

Dr. Edward Bestard, an orthopedic surgeon on the staff of Kaiser Foundation Hospital, opened Manos' windpipe at the scene with a borrowed pocket knife by the light of a flash light.

Investigating for the CHP were officers Dave Johnston and Edgar Jackson. They were aided by sheriff deputies and firemen of the Cucamonga Fire Department who gave the victims first aid.

Officers found the rear wheel and axle of the Wilson car 150 feet away from the scene in a field. All of the bodies were taken to the Stone Mortuary in Upland.

Officers said they did not believe Wilson had fallen asleep, but that he might have lost control of the car on the slippery pavement. The car was going around a left curve when it went out of control.

It was the worst highway accident of 1967 in San Bernardino County and the fifth highway disaster to claim as many as seven lives in the county since 1960.

Funeral arrangements for the victims are as follows:

L. G. WILSON

Funeral services for Leonard Gay Wilson, 849 Madrone, Cucamonga, a West End resident for 26 years will be held at 2 p.m., Thursday, April 6 at the Stone Funeral Home, Upland.

Mr. Wilson was born in Monterey Park, Calif., and was an electrician by trade.

Besides his father, Elmer H. Wilson of Blythe, Calif., he leaves one sister, Mrs. Donald Fortner of San Bernardino, and two brothers, John of Cucamonga and Robert of Alta Loma; his wife, Marcia, of Ontario and one son, Timothy, aged 4.

Burial will be in Bellevue Cemetery.

J. M. RIVERS

Funeral services for James Martin Rivers, 23, 1367 Winston Court, Upland, were held at 2 p.m., Wednesday, April 5 from the Stone Funeral Home, Upland.

A member of the U.S. Army Engineers, stationed at Fort Stewart, Ga., Rivers had been a West End resident for 22 years. He was born in Kingman, Ariz.

Besides his widow, Cheryl of Ontario, he leaves his parents, Mr. and Mrs. William Rivers of Upland; two sisters, Mrs. Ron Shipley of Alta Loma and Mrs. R. N. Carter of Hampton, Va.; two step-brothers, J. R. Hibbard of Ontario and Richard M. Hibbard of Montclair.

Interment was in Bellevue Cemetery.

RUDY A. GOMEZ

The funeral of Rudy A. Gomez, 24, 852 N. 5th Ave., Upland, was held at 9 a.m. Wednesday, April 5, from St. Joseph's Catholic Church, Upland.

A clerk with Standard Brands Paint, El Monte, Gomez had been a resident of Upland for 20 years. He was born in Saginaw, Mich.

He was a communicant of St. Joseph's Church and a member of the Retail Clerk's Union.

Survivors include: his widow, Carla Gomez of Pomona; a son, Jefferey of Pomona; his mother, Mrs. Adam Gomez of Upland; a sister, Miss Olive Gomez of Upland and three brothers, Mark, Richard and Anthony, all of Upland.

Burial was in Bellevue Cemetery.

COMBINED RITES

Combined funeral services for Mr. and Mrs. Albert Parigian, 23645 Prospect Valley Drive, Diamond Bar and Mrs. Irene A. Manos, 11355 Culver Blvd., Culver City, L.A. will be held at 10 a.m. Thursday, April 6 at St. Gerard Majella Catholic Church, 4433 Inglewood Blvd., Los Angeles.

A Rosary will be said at 8 p.m., Wednesday April 5 at St. Joseph's Catholic Church, Pomona.

Burial of all three victims will take place Thursday, April 6 in Holy Cross Cemetery, Los Angeles.

Mr. Parigian had been a resident of Diamond Bar and Ontario for 6 years and was the operator of Pom Lane Bowl Pomona and the Downtown Bowl, Ontario.

Mr. Parigian was born in Providence, R.I. He was a member of St. Joseph's Catholic Church, Pomona.

Survivors include: three sons, Robert Parigian of Ontario, Allan and Michael of Diamond Bar; two daughters, Miss Rene Parigian and Miss Debra Parigian of Diamond Bar; one grandchild, his parents, Mr. and Mrs. Harry Parigian of Los Angeles; two brothers, George Parigian of Inglewood and Charles Parigian of Hawthorne.

Mrs. Ann Parigian operated the bowling lanes with her husband Albert. She was born in Detroit, Mich.

Besides her children, Mrs. Parigian is survived by one sister, Mrs. James Weishuhn of Westchester; two brothers, Manuel M. Manos of Culver city and Gus Manos of Dearborn, Mich.

Mrs. Irene A. Manos, a slaeslady at Sears Roebuck Stores, was the sister of Mr. Parigian and her funeral arrangements are the same as her brother's.

She had been a resident of Culver City and Los Angeles for the past 20 years.

Besides her husband, Manuel M. Manos, who is still critical at San Antonio Community Hospital, she leaves a daughter, Mrs. Patrick Webb of Hawthorne and two grandchildren, her parents, Mr. and Mrs. Harry Parigian of Los Angeles and two brothers, George Parigian of Inglewood and Charles Parigian of Hawthorne.

Seven dead

SEVEN DIED when the two autos shown here collided on rain-slick Foothill Blvd. near Baker Ave. early Sunday morning, April 2. Four men from this area were riding in the auto shown in top photo, and three of four passengers in car in lower photo were killed. The fourth passenger, Michael M. Manos, was reported in poor condition at San Antonio Community Hospital Tuesday afternoon. The car above, driven by Leonard Gay Wilson of Cucamonga is reported to have skidded across the double line and collided broadside with the eastbound vehicle driven by Albert Parigian of Diamond Bar. Details are in accompanying news story.

Dr. Goodhall To Speak At Chaffey College

ALTA LOMA -- Dr. Merrill R. Goodhall, professor of government at Claremont Graduate School will be guest speaker at Chaffey College in the little theater at 11 a.m., April 6 (Thursday).

His address will be keyed to education in relation to government and will be followed by a question-and-answer period.

The educator's appearance here will be sponsored by the Intercultural Relations Club.

The program will be open to the public and there will be no admission charge.

Panhellenic group meets

Chaffey District Panhellenic will gather Thursday, April 6 at 7:30 p.m. in the home of Mrs. Dick Pehl, 989 W. 18th, Upland. Mrs. Pehl has planned one of her unusual and unique "surprise" programs which have delighted members in previous years.

Chaffey college wives plan bridge party for scholarship benefit

Chaffey College Faculty Wives and their guests will play bridge at 1 p.m. Saturday, April 15, to raise funds for scholarships at their annual benefit in the campus center.

The theme of the event will be "Scholarship Fiesta, Ole!" For the past four years, the Chaffey College Wives have provided deserving students with book grants.

Decorations for the desert bridge benefit will be in the Mexican motif, making use of pinadas, sombreros, bandelleros and travel posters. The program will feature a masked mystery guest in a south of the border costume and Lou Corida will play the guitar.

Event chairman is Mrs. William Gable assisted by Mrs. George Vinnedge, co-chairman. Others on the committee are Mmes. Lester Adkins, Clarence Calhoun, Ellwood Chapman, Elmer Glenn, William Gorneweg, Drue Hampton, Charles Hicks, Gerald Martin, Leonard Mather, Edward Meyers, Thomas Norman, Lloyd Parratt, Darwin Personious, William Richardson, Howard Theurer, and Walter Van Moorlehem.

Tickets may be purchased from college faculty wives. Further information may be obtained by calling Mrs. Mather, 984-4041, Mrs. Gable 986-9701 or Mrs. Vinnedge, 986-4615.

Chaffey College students currently receiving the benifits of Faculty Wives book grants are Raul Espinoza, Chino; Winifred Gamble, Norco; Ron Rubin, Ontario; and Cathy Waugh, Upland. More than 20 such scholarships have been awarded since the beginning of the project in 1963.

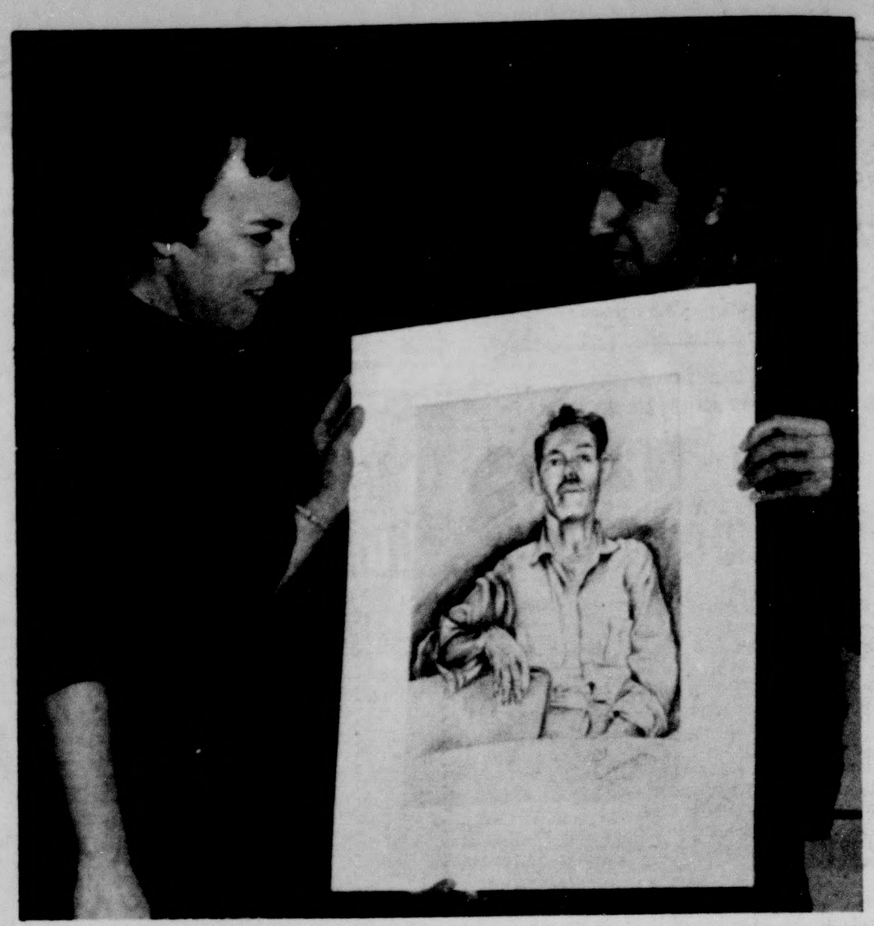

The mid-spring benefit is being planned at a series of meetings at the Ontario home of Mrs. George Vinnedge.

BSPhi gives Farewell lunch for members

Gamma Alpha Iota, Chapter Beta Sigma Phi, attended a farewell luncheon in honor of Mrs. Mike Wilson and Mrs. Albert Violet, two members who are leaving the West End area.

The Fashion Show and luncheon served as the setting for presenting the leaving sisters with gifts of silver tidbit trays and Mrs. Wilson received her golden "gavel guard," symbol of her having held the office of President this past year.

Both women have been active members of the Club, Mrs. Wilson serving as President, Vice President and winner of Girl of the Year Award last year. Mrs. Violet, a new pledge acted as Service Chairman for the first half of the year.

CHAFFEY COLLEGE FACULTY WIVES -- Raul P. Espinoza, recipient of a Faculty Wives book grant last year shows an example of his work to Mrs. George Vinnedge, co-chairman of this year's Chaffey College Faculty Wives scholarship benefit bridge social to be held at 1 p.m., Saturday, April 15 in the campus center.

Airport Queen crowning set for Chaffey College

ALTA LOMA -- Ontario Mayor Howard J. Snider will be involved in a non-controversial activity in connection with his city's airport Wednesday evening, April 5, at Chaffey College.

The mayor will do the honors in the coronation ceremonies of the new Miss Ontario International Airport at the Merchandising Club's Community Fashion Show at 7:30 o'clock at campus center.

He will be assisted in performing the ceremony by last year's Miss OIA, Barbara Nelson, Claremont.

The five finalists vying for this year's title are Joanne Keyes, Chino, Kathy Cole, Claremont, Carol Peterson and Antoinette Roberge both of Ontario, and Julie Marie Potts, Upland.

Judging the contest will be Gordon Ayers, Ontario photographer; James Christensen, Upland mayor; Mrs. Georgia Mellon, Fontana, chairman of the college board; Charles Milhiser, Upland-Ontario businessman, and Jeanne Shipley, Gallery Theater, Upland.

The theme and format of the show will be "Continental Breeze" in fashion flights to nine destinations--Los Angeles, Albuquerque, Kansas City, Madrid, St. Louis Chicago, Houston, Denver and Phoenix.

Emceeing the program will be Gary Sager, Upland. In charge of production will be Alan Arnold. Merchandising Club president Gary Carigon, Ontario, reported that tickets will be available at the door. Admission is a $1 donation to the club fund. A fourth of the proceeds will go to the International Relations Club.

With Carla Miranda as commentator, models will show fashions in beach wear, campus casuals and evening wear. Mary Chaney of the Phillipines will provide an international touch as commentator when five visa students model costumes of their native lands.

A CHIROPRACTOR SPEAKS

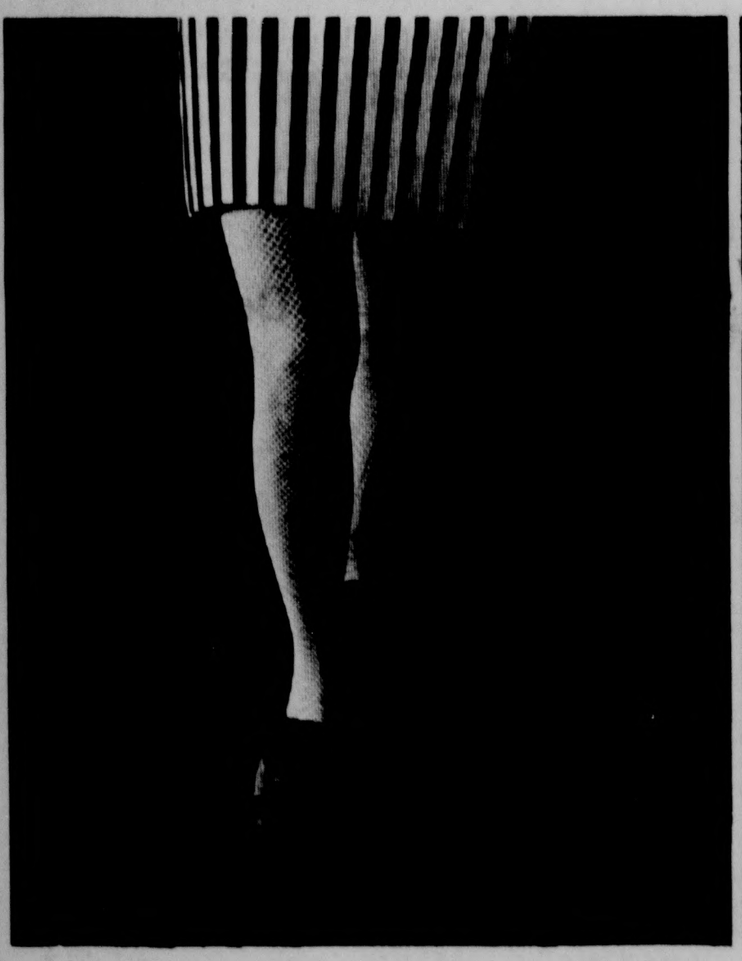

BACKACHE

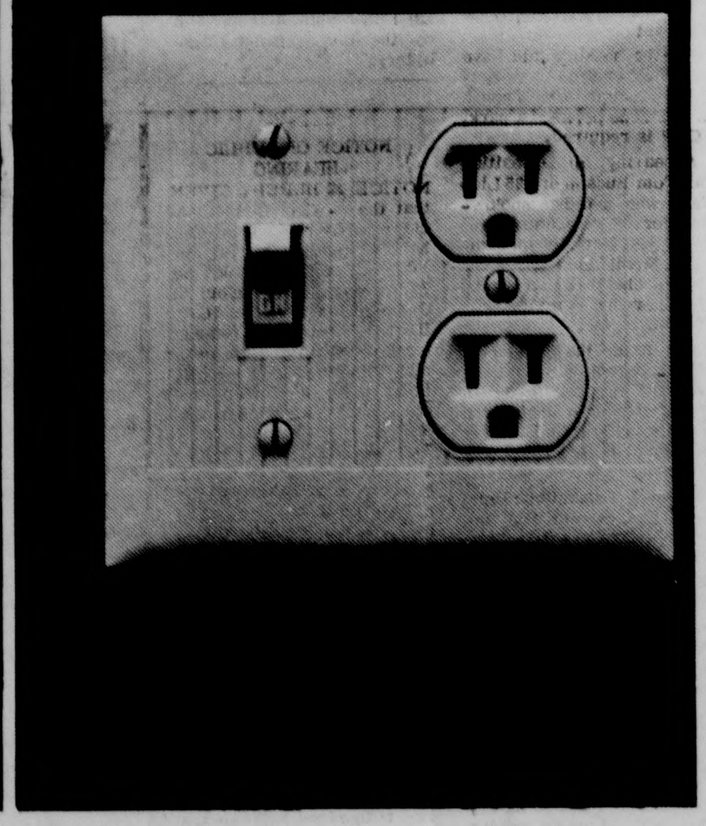

The Yogis of India look on the spine as the key to man's physical and mental wellbeing, a view certainly shared by any modern American who has endured the exquisite pain of the myraid forms of 'backache.' Allowing a minor back pain to go untreated results in the appearance of 'trigger points', super-sensitive spots frequently found in neck, shoulders, upper and lower back and hip muscles. Chiropractic can relieve the pain without procaine injections and ethylcloride spray. Trigger points are not the same as slipped discs! Trigger points do not cause sensory loss, numbness or weakness. Discs do, but much of the agony and anxiety of the so-called slipped disc may be precluded by correct gentle exercise and proper chiropractic therapy. The slipped disc is fashionable, but the lazy or inactive muscle is far more common; this may be relieved or cured by chiropractic in a substantial majority of cases.

Most things have gone up since 1939.

But not this.

A kilowatt-hour of Edison electricity has gone down a third in price since 1939.*

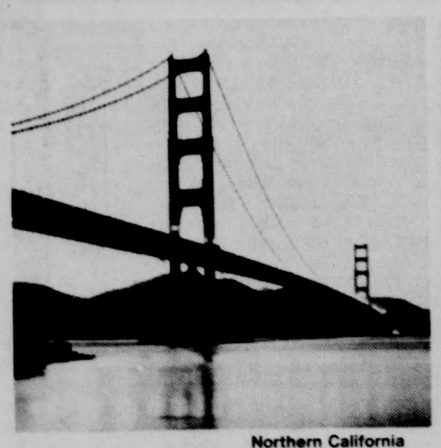

But, of course, you're using a lot more electricity now than you did then. The typical home uses electricity 40 different ways.

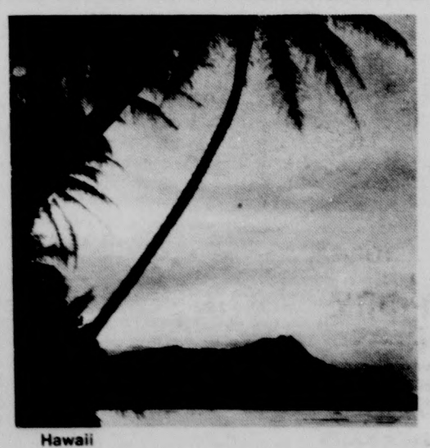

So maybe you're not wild about the length of ladies' dresses today.

But at least electricity is heading in the right direction.

*The average cost of a kilowatt-hour of electricity to Edison's residential customers today is 34.4% lower than in 1939.

PUSHING THE PANCAKES -- Is the big interest at Upland High School this week, as members of the senior class complete plans for their sixth annual pancake breakfast to be held from 7:30 to 11:30 a.m., Saturday, April 8 in the Upland High School cafeteria. Marlene Vakerics, left, general chairman of the event is seen above offering a sample of her cooking to Frank Johnson, center, publicity chairman and at the right is Suzane Spiegel, entertainment chairman.

Seniors to stage 6th pancake breakfast

The Sixth annual pancake breakfast of Upland High School senior class will be held from 7:30 to 11:30 a.m. Saturday, April 8 in the Upland High School cafeteria.

Each year the senior class sponsors a pancake breakfast to raise money for the Disneyland graduation party and all senior class members participate, either by selling tickets or working on the breakfast.

The public is encouraged to attend this breakfast event which will feature a menu of pancakes, sausage, orange juice, coffee and milk. Prices are $1 for adults and 50¢ for children under 12.

Marlene Vaskerics, senior class treasurer is general chairman of the event and Margie Watkins and Roberta Langsford are in charge of tickets. Frank Johnson is publicity chairman and Suzanne Spiegel entertainment chairman.

The members of the cast of Oklahoma, presently in rehearsal at the school will entertain guests at the breakfast.

Surgeon Fellow Visits Upland Council Member

Dr. Phillip Beales, an ear, nose and throat specialist from Doncaster, England, will arrive in Upland April 10 to visit Councilman Ronald Rossitter.

Dr. Beales is a Fellow of the Royal College of Surgeons, England. He will be accompanied on his trip by his wife who is an attorney.

UPLAND WOMEN'S CLUB ANNUAL RUMMAGE SALE--Club members display articles collected for the annual rummage sale of the Upland Women's Club to be held from 9 a.m. to 5 p.m., Friday and Saturday, April 7 and 8 at the club house, 590 N. Second Ave., Upland. From the left are seen above Mrs. Wayne Wiles, Mrs. Harold Rowe, Mrs. C.S. Stowell and Mrs. Neal Van Dorin. Anyone who has rummage that they would like to donate is requested to call Mrs. Levern Quaintance at 987-2293.

'Oklahoma' set for 3-night run at Upland High School

Oklahoma, a musical play with a cast of approximately 50 will be presented by Upland High School students at 8 p.m., Thursday, Friday and Saturday, April 13, 14 and 15 in the Upland High School Auditorium.

Rodger's and Hammerstein's story of the struggle between the cowman and the farmer for the lovely heroine's hand can be seen at a special matinee at 1:30 p.m., Saturday, April 8 in the school auditorium.

The production is directed by Charles Whitham and includes the following students in the cast: Doreen Della Penna, Mike Whitcomb, Barbara Littleton, Steve Glencoe, Chuck Kellerman, Robert Bullock, Mark Goetz, Jim Baer, Dianna Zets, Jim Gebel and Jan Alair.

Also: Terry Coletti, Carol Springer, Pat Asay, Joanne Swartzendruber, Sue Frost, Marsha Adams, Ken Riner, Paul Kellner, Don Klauminzer, Ellen Gadigaard, John Peterson, Chris Rogers, Mike McKinnon, Larry Parker and John Strona.

A men's chorus, a girl's chorus and a combined chorus will sing the hit songs, such as, "Surrey With The Fringe On Top."

Meet your Girl Scouts

Weather permitting, the Upland Girl Scouts of the Spanish Trails Council will hold their "Upland Meet Your Girl Scouts" exhibits from 1:30 to 3:30 p.m. Saturday, April 8 in the Bank of America parking lot off Second Ave., Upland.

The Scouts will have displays and demonstrations for the public to enjoy and Atwood's Department Store has donated prizes for the best displays of the individual troops.

87-space mobile home is denied

Approval for an 87-space Mobile Home between 7th and 8th Sts. just East of Benson Ave. was denied Mar. 23 by Upland Planning Commissioners.

The vote on granting a conditional permit was denied by a 5-1 vote, Chairman Maynard Book voting to approve.

The applicant was P. C. Humason, 816 Colorado, Monrovia.

The park would be a "5-Star" rating, for senior citizens, all adult, and "compatible to three other parks in the area" according to the applicant.

A club house would have been built on 7th St., as part of the 12-acre site. Though an R-3 zone permits a park, a CUP is required.

Appearing in opposition was Tom Hudson of 135 Lido Way, who acted as spokesman for 92 residents in the tracts just North of the proposed Mobil Home Park. The Council chamber was packed with persons backing Mr. Hudson.

He said the residents feared becoming an island, that the parking problem needed study, and that the value of the land their homes were built on would depreciate.

Planning Consultant Simon Eisner suggested that the Mobile Home might be built on the lower half of the acreage, with multiple housing on the upper part.

He said there was nothing wrong with the Mobile Park, but that "psychological problems" might exist.

He noted that 7th leads into Moreno in Montclair, and tied in with the new shopping center, probably would develop into a motel, hotel, and shopping center traffic pattern.

Berlin visit is topic for church women

The Women's Association of the First Presbyterian Church, Upland, will hear Mrs. T.W. Phelps of Colton when they gather at 12 noon Thursday, April 6, in Hart Fellowship Hall at the church. Mrs. Harvey Shirk will preside as president.

Mrs. Phelps, First Vice President of Synodical and a Past President of Riverside Presbyterial, will bring slides and speak of her personal experiences in meeting with Christians in Berlin. Last year she went to Berlin as a member of the Berlin Fellowship, a group sent by the Los Angeles Presbytery.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the City Council of the City of Upland will hold a public hearing on Tuesday, April 18, 1967, at 7:00 p.m. in the Council Chambers of the Upland City Hall to consider a request for a zone change from R-3-3600 (Multiple Family Residential District - 30,000 sq. ft. minimum lot area) to R-1-D (Single Family Residential District - 7,500 sq. ft. minimum lot area) on the following described property:

Lot 186 of the College Heights Tract in the City of Upland, County of San Bernardino, State of California, as per map recorded in Book 17, Pages 77 and 78 of Maps in the Office of the County Recorder of said County.

More generally described as approximately 6 acres located at the Northwest corner of Mountain Avenue and 13th Street.

This public hearing will be conducted pursuant to the provisions of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code and Sections 65500-65800 of the Government Code of the State of California.

All persons interested in this proposal are invited to attend.

Dorris Magruder
City Clerk
Upland News No. 2818

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the -- City Council -- of the City of Upland will hold a public hearing on Tuesday, April 18, 1967, at 7:00 p.m. in the Council Chambers of the Upland City Hall to consider a request for a Conditional Use Permit to establish a Mobile Home Park in an R-3 zone on property described as follows:

The West 1/2 of Lots 659 and 662 and the Westerly 69.48 ft. of the East 1/2 of said Lots 659 and 662 of the Map of Ontario in the City of Upland, County of San Bernardino, State of California as per map recorded in Book 11, Page 6 of Maps in the Office of the County Recorder of said County. More generally described as 12 acres between Seventh Street and Eighth Street with its West boundary located about 1,100 ft. East of Benson Avenue.

Any interested person or his duly authorized representative or both will be afforded the opportunity to present at this hearing, both orally and in writing, statements, arguments, or beliefs relevant to this proposal.

Dorris Magruder
City Clerk

'Wigs' by Dior will be club topic

"Wigs" by Dior will be the subject of interest when on "Guest Day" the Upland Welcome Wagon Newcomer's Club hosts a joint luncheon with the Pomona Newcomer's Club at 11:15 a.m., Wednesday, April 12. The luncheon will be in the West Tahitian Room of the Royal Tahitian, Riverside Drive, (near Archibald Avenue) Ontario.

Wigs especially styled for certain members of the group will be modeled. Following the meeting, members and guests will have an opportunity to examine the wigs more closely. Those interested will play cards.

Welcome Wagon and Welcome Wagon Hostesses are known throughout the United States, Canada, Puerto Rico, Trinidad, and the United Kingdom; making friends and helping to build and keep our cities and communities a better place in which to live.

Welcome Wagon Clubs are an outgrowth of the Welcome Wagon service. Through these clubs the members have a unique opportunity of taking an active part in their city and community life, contributing of their time and efforts for worthwhile, charitable, and humanitarian projects, at the same time making a host of friends.

The Upland Newcomer's Club meets on the second Wednesday of each month, with special interest groups meeting at other times of the month.

For information interested persons may call Bunny Brennan at 985-5337 or Ruth Strueve at 985-4222. Transportation will be provided if necessary.

MRS. LORETTA NIX

Mrs. Nix is bank officer

Mrs. Loretta Nix of Upland has recently been named an officer of the new Magnolia-Tyler branch of the Bank of America, according to M.D. McDermott, vice-president in charge of personnell relations.

For the past two and one half years, Mrs. Nix has headed the note department at the Ontario branch, where she began her career in 1957.

A native Californian, she was born in Santa Ana and is a graduate of Chaffey High School, Ontario.

Mrs. Nix and her husband Dwayne have two children: Deanna, and Steven. They have lived for the past three years at 1276 Bradford Court, Upland.

DO BLONDS REALLY HAVE MORE FUN???--This debatable question may be answered when the Upland Welcome Wagon Newcomer's Club meets with the Pomona Newcomer's Club at at 11:15 a.m., Wednesday, April 12, at the Royal Tahitian for an afternoon of wigs by Dior. Seen above enjoying the effects of their new "Coiffures" are left to right, Mrs. Judy Hogle, Mrs. Patti Hammond and Mrs. Lynn Hansen, all of Upland.

Miss Cynthia Rossi is married here

Miss Cynthia Jean Rossi, daughter of Mr. and Mrs. Louis A. Rossi, 1533 N. Campus Ave., Ontario, and Stuart James Gourlay, son of Mr. and Mrs. Alfred J. Gourlay, Glendale, were united in marriage Saturday, Mar. 18 at the First Presbyterian Church, Upland.

The Rev. Richard Mitchell, pastor, officiated at the candlelight double ring ceremony attended by 200 guests.

Given in marriage by her father, the bride wore a bridal satin gown, fashioned with an A-line silhouette and empire waistline with double bell elbow length sleeves. Appliques of lace enhanced the sheath skirt and detachable chapel length train. Her French illusion veil fell from a satin rose and alencon lace headpiece and she carried a cascade of white orchids, stephanotis and ivy.

Mrs. Frank Frates III of Reno, Nev., was matron of honor and Miss Gae Rossi, and Mrs. Robert Skelton, both sisters of the bride, and Miss Carol Gourlay, sister of the bridegroom and Miss Suzanne Barnes were bridesmaids.

All attendants were attired in Swiss lace and chiffon sheath gowns, styled with empire waistlines circled with satin bands and elbow length ruffled sleeves.

William Gourlay of Glendale, the bridegroom's brother, was best man and ushers were John Chase of San Francisco, George Mollett, of Glendale, Dr. Jame Newman of Los Angeles and Robert Blakeley of Los Angeles.

Earle Blakeslee was organist and Miss Susan Weir was soloist for the bridal couple.

Following a reception, the couple left on a wedding trip to Hawaii. They are presently making their home at 1247 Eleventh St., San Francisco.

A Chaffey High School and University of California graduate, the bride is employed as a teacher in Chinatown, San Francisco.

A graduate of Occidental College, the bridegroom is presently a medical student at the University of California and will graduate in June.

PRESBYTERIAN WEDDING -- Mrs. Stuart James Courlay is pictured following her wedding which was held in the First Presbyterian Church of Upland March 18. She is the former Miss Cynthia Jean Rossi.

How much safety do you want for your money?

Financial safety comes in all shapes and sizes. There are safe investments and risky investments—and ones that are in between. Depending upon how much risk you want to take, your money can be invested in a variety of ways.

Your savings, however, are another thing. This is money you do not want to *risk*—no matter how safe the investment appears. This is money you want to be able to count on at all times and under all conditions. And when you want your money that safe and that available—*you want it in the bank.*

TOYS FOR VIETNAMESE ORPHANS -- Upland Junior High School students have recently completed a "Toys for Tots" program, in which they successfully assembled 125 Friendship Kits for Vietnamese children, victimized by the war. Seen above filling the individual bags with toys and games are left to right, Debbie Vakerics, Ellen Peres and Mrs. William Bottin, chairman of Vounteers, American Red Cross.

Upland junior high students send Vietnam friendship kits

Generous students of Upland Junior High School contributed $226.00 to make Friendship Kits for Vietnamese children who have been separated by war from their families, according to Mrs. William Bottin, chairman of Volunteers, American Red Cross Upland Service Center, Southern California Inland Chapter.

Altogether, 125 kits are being sent overseas. Each kit is made of colorful and durable cloth, 11 inches wide and 13 inches deep, with a drawstring closure. The kits are filled with such items as a slate and chalk, pencil and paper, paint boxes, hair clips, needle and thread, small toys, simple educational games, perhaps a harmonica, a jigsaw puzzle, and other things to keep a child busy and able to help herself or himself.

Purpose of the kits, which are being prepared all over the country by Red Cross Chapters, is to provide displaced Vietnamese children with a carryall for personal belongings along with a card and some gifts from American young people as expressions of friendship and concern.

The local program was sponsored by the Upland Red Cross. When the program was started, it was expected that only a handful of kits would be prepared. However, the idea caught fire in the imaginations of the young Upland Junior High students. They sold "shares" in the project for 5¢, 10¢, and 25¢. The entire school came up with a total of $226.00 enough to provide 115 kits to be sent overseas.

District Menu

Joann Skovgaard enters Dairy Princess contest

A local girl, Joann Skovgaard, 17, daughter of Mr. and Mrs. James R. Skovgaard, 8809 Grove Avenue, Upland, has entered the District 10 dairy princess contest, which will be held in Ontario on April 21.

She will be in competition for the district title held now by Janet Azevedo, Norco. The winner of this district competition will compete for the California Dairy Princess title June 29 in Hollywood, meeting with 13 other district finalists.

Joann, a high school senior, has been active in such school affairs as band, cheer leading, and was chosen Campus Queen.

Girls from the counties of San Bernardino and Riverside will be in competition at the local event.

Local dairy leaders urge early entry by interested girls, as each contest is limited to twelve contestants. Area dairymen can provide Princess Handbooks, with entry forms, or they may be obtained by writing American Dairy Association of California, 1700 McHenry Avenue, Modesto.

To qualify, entrants must be 17 to 25 years of age, unmarried, at least a high school graduate by June of this year, and with either a dairy farm or dairy industry background.

45 Chaffey students in honor group

ALTA LOMA--Chaffey College today reported that 45 of its students are now members of Alpha Gamma Sigma, the Beta Chapter of the California Junior College Honor Society.

Membership is based on work completed in the previous semester. Advisor Gerald Martin said that permanent Alpha Gamma Sigma members are automatically graduated with honors.

Curt members include:

Alta Loma--Marguerite A. Stewart.

Upland--Douglas M. Alair, James S. Brodie, Charles Madison Dulaney, Susan C. Fonda, Gregory M. Leo, Robert L. Lindboe, Mike L. Magruder, Kathleen A. McGowan, David S. Nunley, Jim F. Rupp, Charlotte J. Steendam, Catherine E. Waugh, and Mike J. Wire.

Mr. and Mrs. Carlos P. Reyes, 8756 Calaveras, Cucamonga, are the parents of a boy born Mar. 19 at San Antonio Community Hospital.

Mr. and Mrs. Juan A. Garcia, 9647 E. 8th St., Cucamonga, are the parents of a girl born Mar. 22 at San Antonio Community Hospital.

Mr. and Mrs. George R. Squire, 7045 Avenida Leon, Alta Loma, are the parents of a boy born Mar. 24 at San Antonio Community Hospital.

Missionary to Africa to hold services at Upland's First Church of the Nazerene

Rev. Elmer Schmelzenbach, missionary to the Republic of South Africa is home on furlough and holding services this week at the First Church of the Nazarene, 120 West 9th Street, Upland, where the Rev. Bill E. Burch is pastor.

The Rev. Schmelzenbach will be speaking at services scheduled at 7:30 p.m. Monday through Thursday April 3 through 6 and at 10:30 a.m., Tuesday through Thursday, April 4, 5, and 6 with special rallies at 10:45 and 7 p.m. on Sunday, April 9.

This is the fourth furlough for the Rev. and Mrs. Schmelzenbach since being assigned to Africa in 1936, at the Bible School in Stegi, Swaziland. Rev. Shcmelzenbach served in this area two years before going to Manzini to work in the outstation missions. In 1941 he was transferred to Acornhoek in Eastern Transvaal where he became head of the district and head of the main station. In 1965 Rev. Schmelzenbach was elected Supervisor of the Republic of South Africa but has continued his work with the district and the main station.

Rev. Schmelzenbach was born of missionary parents in Pigg's Peak, Swaziland, South Africa. He received his bachelor of theology degree in 1934 from Northwest Nazarene College in Cle Elum, Washington for one year before his overseas assignment.

Rev. and Mrs. Schmelzenbach have three children. Harmon, the eldest, is presently serving the Church of the Nazarene in Africa as a missionary. They have a married daughter, Marilyn, and another son, Dennis, who is in college.

This Christian Life Convention will feature messages of missionary character with an evangelistic emphasis. All are invited.

Rev. Elmer Schmelzenbach

75 scouts at honor court

Seventy-five boy scouts and their parents of Troop 622 were present at a Court of Honor on Monday, Mar. 27 at Baldy View school. After the meeting, refreshments were served.

Richard Sherman, scoutmaster, conducted the meet. Tenderfoot rank was earned by Bob Worley, Gary Campbell, Lee Maxfield, and George Schillens. Three boys, Mark Selkee, Doug Allen and Russel Hathaway made second class. The following boys were promoted to first class: Steve Graham, Bill Jackson, Bill Becker, John Becker, Lynn Bentley and Gene Barnash. Pat Sherman was advanced to Star Rank.

Several of the Scouts earned Merit Badges. John and Bill Becker each received Sherman for Firemanship and Geology; Joe Prologo for Safety, Woodwork, Geology, Oceanography, World Brotherhood, Citizenship in the Nation and Citizenship in the Community; Mike Sherman in Firemanship, Geology and Citizenship in the Nation; David Sears in Forestry, Plumbing and Basketry.

A Recruiter's Stripe was earned by Orville Ortwig, Greg Dorst and Mark Selkee and three by Allen Manes. Ten Totin' Chip awards to first and second scouts for proper use of the knife and ax were awarded.

The paper drive has netted the troop $175.00 and this is being used to purchase camping equipment and finance camping trips. The drive will continue indefinitely.

On Saturday and Sunday April 8 and 9 the troop will enjoy a family camp-out at Salton Sea. There will be fishing, swimming and various sports for all members of the family.

Mountain Avenue acreage rezoned

Six acres at the Northwest corner of Mountain Ave. and 13th St. were approved for rezoning from R-3-3600 Multiple family residential district to R-1-D, single family residential district, 7500 square foot minimum lot area.

The Planning Commission met Mar. 23 to hear Andrew Barmakian, Box 465, Mt. Baldy, appear as the applicant.

Most of the discussion revolved around the presentation at a later time of the plan for developing.

Consultant Simon Eisner said it was important that a plan for Mountain Ave. not have traffic driveways, walls, and even facing lots be considered to avoid problems and improve resale values.

It was pointed out by Barmakian that all garages and entrances to the homes by auto would be at the rear of the lots off the alley, thus avoiding traffic on Mountain.

Miss Thomas is bride

Announcement is made of the recent marriage of Miss Buelah Ann Thomas to Airman third class, Steven Douglas Johnson, U.S.A.F., son of Mr. and Mrs. Carl W. Johnson, 775 Redding Way Upland.

The bride, is the daughter of Mr. and Mrs. Alfred Thomas of Sanford, N.C.

The double ring ceremony took plance Friday, Mar. 31 in Dillon, S.C. Miss Nancy Doss of North Carolina was maid of honor and Mr. Gerald Randell of Dayton, Ohio was best man.

The bridegroom is a graduate of Upland High School and attended Chaffey College.

Exchange students of Upland to give views

Two foreign exchange students now attending Upland High School will show pictures and answer questions about their countries and give their impressions of our country at the general meeting of the American Association of University Women, Upland-Ontario Branch at 7:30 p.m., Wednesday, April 5, in Upland High School faculty lounge.

Gro Andersen from Oslo, Norway, and Wilfried Lasser from Innsbruck, Austria, will be introduced by Mrs. Donald Stewart who will explain about the American Field Service project.

A business meeting will follow the program according to Mrs. Charles Jacobs, program chairman.

Important business to come before the membership meeting will be the election of officers for the coming year, the election of delegates to the state convention at Berkeley, May 18-20.

Upland Soldier Gets Promotion

AUGSBURG, GERMANY (AHTNC)--Phillip H. Taylor, 22, son of Mr. and Mrs. Gilbert F. Taylor Sr., 304 S. Laural, Upland, Calif., was promoted to Army specialist four March 10 in Germany, where he is a member of the 24th Infantry Division.

Spec. Taylor is a clerk typist in Service Battery, 2nd Battalion of the division's 7th Artillery stationed near Augsburg. He entered the Army in November 1965 and was stationed at Ft. Sill, Okla., before arriving overseas in April 1966.

The specialist, who graduated in 1964 from Upland (Calif.) High School, was employed by the General Electric Co., Ontario, Calif., before entering the Army.

Private Edwards In Vietnam Now

CU CHI, VIETNAM (AHTNC)--Army Private First Class Clinton D. Edwards, 19, son of Mrs. Sara B. Morgart, 1012 E. Eighth St., Upland, was assigned to the 25th Infantry Division in Vietnam, March 22.

A communications center specialist in Company A of the division's 125th Signal Battalion located near Cu Chi, Pvt. Edwards entered on active duty last August and was last stationed at Ft. Gordon, Ga.

Edwards is a 1966 graduate of Chaffey High School.

Inter-denominational Unity will be topic at women's fellowship meeting

Interdenominational unity will be the topic for the monthly general meeting of the Christian Women's Fellowship, Upland Christian Church (Disciples of Christ) at 7:30 p.m. Wednesday, April 5. The group will meet in the dining hall of Upland College, San Antonio and Arrow Highway.

Speaking on "Our Common Heritage" will be the Rev. Rival Hawkins, secretary for denominational distribution, western and Pacific Regional office of the American Bible Society, Los Angeles.

An ordained minister in the Christian Church (Disciples of Christ), Mr. Hawkins has enjoyed a wide experience in the Christian ministry, both in the denominational and interdenominational fields of endeavor. He served as a Navy Chaplain in World War II, and since that time has served as a denominational executive in the field of Christian education, as a local church pastor, and as executive secretary of the Pasadena Area Council of Churches. He taught courses in Christian Education at Chapman College during three of the years he served as Secretary of Christian Education for the Christian Churches of Pasadena.

His responsibility with the American Bible Society include conferring with denominational leaders in the areas of Christian Education, evangelism and stewardship in an effort to discover wider and more effective ways of using the Scriptures in these important departments of the churches' ministry.

REV. RIVAL HAWKINS

Upland Marine

Marine Private First Class Robert L. Norton, son of Mr. and Mrs. Leon F. Norton of 1412 Dorita St., Upland, is in Vietnam with the Third Battalion, Fifth Marine Regiment.

Uplander Narned Ranking Scholar At Yale College

Kenneth John Koford, son of Mr. and Mrs. Kenneth Koford, 115 Hill Ave., Mt. Baldy, has been designated a Ranking Scholar at Yale College, New Haven, Conn.

Koford, a freshman student at Yale and a 1966 graduate of Upland High School stands in the top ten per cent of his respective classes.

Mr. and Mrs. Harlan G. Gray, 387-D Sinclair, Upland, are the parents of a girl born Mar. 20 at San Antonio Community Hospital.

Tartan Tales from Upland High

By LINDA MURASKO

Barbara Littleton and Mike Whitcomb have the honors of leading one of America's best loved musicals. UHS is presenting the musical "Oklahoma!" on the 8, 13, 14 and 15 of April. For elementary school and junior high school kids a special matinee will be held at 1:30 p.m. on Saturday, April 8. The three evening performances will be held at 8:00 p.m. on April 13, 14 and 15.

This opera, as in many other operas, is centered around a love story. Laurie and Curly love each other but neither realizes how the other feels. A hoe-down is to be held in town that night and so Curly rents a "surrey with the fringe on top." However, Laurie plays coy and accepts an invitation to go to the dance with one of her father's hired hands, Jud Fry. As the party progresses, Jud has had far too much to drink so Laurie fires him from his job. She joins Curly for the remainder of the evening and the two find their feelings for each other are mutual so a wedding date is set. Jud appears after the wedding and insists on kissing the bride. A fight breaks out between Jud and Curly during which Jud is killed as he lands on his own knife. The court tries Curly and finds him innocent. Comic relief is provided for by the fleeting love affairs of a traveling salesman and his involvement with one of the townsmen's daughters, Ado Annie.

Students featured in the comedy are: Barb Littleton, who portrays Laurie; Curly is portrayed by Mike Whitcomb; Aunt Eller is portrayed by Doreen Della Penna; Will played Marc Goetz, Ado Annie played by Dianne Zets; Allie Hakim portrayed by Jim Gable; Jud Fry is played by Jim Baer; and Gertie played by Terry Colletti.

About fifty members of the school's music department are participating in the production. Director of the musical is Mr. Whitham, head of the choral department. Providing the musical background will be the UHS band under the direction of Mr. Warren. Miss Sulea and Mr. Bergerud designed and constructed the sets. Mr. Turner made arrangements in the auditorium and helped with set placement.

Tickets sell at the following prices: Loge, $1.75; Adult, $1.50; Children under 12 and ASB cards, $1.00; and Satruday, $.50.

Tickets may be obtained from cast members, at the UHS bookstore, and at the ticket office on performance nights.

Hospital Group Plans Luncheon For April 17

The San Antonio Community Hospital Women's Auxiliary will meet on Monday, April 17 in the Alta Auditorium. A 12:30 luncheon will be served and the program will begin promptly at 1:15.

"Changing Patterns in Mental Health" will be discussed by the guest speaker, Dr. Donald H. Naftulin.

Dr. Naftulin attended Ohio State University Medical School and is at the present time Assistant Professor of Psychiatry at the University of Southern California. He is also currently a member of the Southern California Psychiatric Society, the Southern California Society for Psychiatry and The Law and the Los Angeles Society for Child Psychiatry.

Mrs. George Chalfant, auxiliary president, will preside at the business meeting. Election of officers for 1966-67 will be held.

Luncheon reservations may be made by calling Mrs. Jean Grace 982-1551.

Luncheon set for fun after-fifty

The Upland Fun After 50 Club will hold a Potluck luncheon meeting at 12 noon Wednesday, April 12. Reservations will be taken at that time for the club's tour of the Pasadena Art Gallery and Descanso Gardens on Thursday, April 27.

Mike Pruitt Is Now A Marine

Marine Pvt. Mike D. Pruitt, son of Mr. and Mrs. Pete Pruitt of 1397 Third Ave., Upland, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Traffic accidents are the leading cause of death among persons from ages 5 to 31, the President's Committee for Traffic Safety reports.

Candidates of proposed Unified School District

Les T. Peters

AUTOBIOGRAPHY

Les T. Peters, 4600 Moreno St., Montclair, candidate for election to the Ontario-Montclair District board of trustees, is a former member of the San Carlos Elementary school board. During his 4-year term, he served as board president during the 1964-65 school year.

Peters, a native of California, is a product of the Oakland school system, and attended San Jose State College.

Participating in school activities for more than 30 years found its beginning in 1932, when he was selected as a committee of one to raise $50 for a badly depleted Milk Fund sponsored by the Castelmont High School PTA. Peters has since served on various school board committees, and taken part in numerous fund-raising activities while a resident of San Carlos.

He is also active in Church affairs, and a past Chairman of the Board of Deacons of the San Carlos Community Congregational Church.

He is a charter member of C-QUE, a California organization composed of educators and school board members dedicated to "supporting optimum size unified school districts for superior education."

Petefs, 53, is a sales representative for a Los Angeles firm. He lives with his wife Doris, and daughter, Gail.

STATEMENT

As a former school board member, I believe the education of ALL our students is the responsibility of ALL our citizens.

In education, as in all things, we must look forward to new concepts and activities that our society is seeking from our schools. I would therefore, upon election to your school board, propose the following 5-point program:

1. Hold periodic meetings with the Ontario and Montclair city councils, to better plan and cope with ever-growing community problems.

2. Apply for, and work with California State Board of Education Committee on Vocational Education for available funds to institute programs for those students who will not attend college.

3. Issue monthly reports to community stating in layman terms what action was taken by board and district during preceding month.

4. Institute through local Chamber of Commerce members "Visit your schools week" returned by teachers visiting various plants in area . . . to better acquaint all concerned with needs of students, and the community.

5. Curriculum Improvement - Recommend a citizens advisory committee be appointed to make a study of the needs of the community. Efforts to improve curriculum should be continuous, for no curriculum has yet been devised which could not be improved.

UNIFICATION

I believe in the philosophy of unified school districts. However, I recommend a "NO" vote on the proposed Chaffey Area Unified school district to be voted on April 18th.

It is the same poor proposal that the voters wisely turned down two years ago. It offers no benefits to the already over-burdened local tax payer.

Until the State Legislature makes some sorely needed modifications to the law as presently written, all citizens have no alternative but to reject this plan again in April.

The State Board of Education, together with the endorsement of Supt. Max Rafferty has proposed the present provision of the law that existing high school districts may be divided only in "exceptional circumstances" should be changed to specific standards.

It was also suggested that the law might require that each part of the split district have at least 10,000 pupils, and that there shall be no more than a 10% difference in assessed valuation per pupil between the parts.

My past experience as a school board member has taught me that were these two changes made, we could then present to the voters an equitable unified plan that would be advantageous to the voters of this community.

I have offered myself as a candidate to serve on the proposed unified district, simply because YOU, as a voter, may not agree with my suggestion of a NO vote on this issue. As a past school board member, I would share my experience with you, and do my utmost to carry out any duties and responsibilities you might determine is good for the district.

Martha T. Chapman

AUTOBIOGRAPHY

Personal Data: Home, 210 W. Sixth St., Ontario. Twenty-one year resident of Ontario. Two sons, 18 and 21 years. Husband, E. N. Chapman, professor, Chaffey College.

Education: Bachelor of Arts Pomona College, Claremont, 1940. Graduate, Wright MacMahon Secretarial School, Beverly Hills, 1941.

Experience: President, Ontario-Montclair Council PTA, 1965-67. President, Chaffey High School PTA, 1962-63. Six years on Chaffey High School PTA Board. Member, West End Human Relations Committee. Chairman, Special Gifts Division, West End United Fund, 1966. Member, West End Family Counseling Service. Member, Bethel Congregational Church, Ontario.

STATEMENT

Through my work with Parent-Teacher organizations, both at the unit and the council level, I have become increasingly concerned with the welfare and educational opportunities for all youth.

As the frantic pace of education increases, we need to think calmly and clearly about the needs of the students who will be seeking jobs at the end of their high school years as well as the students who will be going to college and perhaps beyond to graduate work.

I am sincerely interested in the future of the Chaffey Union High School District from the point of attracting and retaining qualified teachers who will reach all students as well as providing an adequate curriculum to serve the various levels of academic achievement, stressing as much local control as possible.

I do have the time to represent the community at the regular meetings, study seminars and other conferences considered a part of a trustee's responsibility. It would be a privilege to serve in this capacity.

UNIFICATION

I feel there are certain educational advantages to the physical unification of grades K-12.

However, boundaries of the present proposal would combine the nine elementary school districts, which are a part of the Chaffey Union High School District, into one district.

Citizens should consider that this encompasses nearly 200 square miles and would involve more than 35,000 young people.

With much legislation pending which could effect unification, I feel it would be better for the communities, schools and youth to wait until all changes are accomplished before approving unification. There could not help but be a certain loss of community identity should the present bill pass.

Mary B. Hecht

AUTOBIOGRAPHY

Mrs. Mary B. Hecht was elected to the Chaffey Union High School Board of Trustees in 1963. She has lived in Ontario since 1947, and in California since 1936. She and her husband, Joseph H. Hecht, have two children: Fred, a junior at UCLA, and Janet, a junior at Chaffey High School.

Mrs. Hecht is a former Social Worker, and has both a B.S. degree and M.S.S. degree in Social Science from Western Reserve University in Cleveland, Ohio. Her last professional position was Case Work Supervisor for the Los Angeles Children's Bureau.

In the community, Mrs. Hecht was a charter board member and president of the West End Family Counseling Service. She is a past president and Honorary Life Member of Chaffey High School PTA, and currently serves on it's board.

She is a past president of Chaffey AFS, and a current board member. She was elected to the Chaffey Girl Scout Council. She is a member of the American Association of University Women.

In 1964, she was the recipient of the Brotherhood Award of the National Conference of Christians and Jews, West End Chapter. She is also a National Board Member of the National Federation of Temple Sisterhoods.

STATEMENT

If re-elected as a member of the Chaffey Union High School Board of Trustees, I expect to continue the philosophy and policies for education which I have actively sponsored during the past four years.

I am dedicated to the principle of maintaining the highest quality of education for each child. I believe in the concept of the comprehensive high school in which every student receives an equal opportunity to achieve his maximum intellectually, academically, technically, and physically.

Each student, whether preparing for college, or immediate vocational placement, should receive the education and preparation best suited for his particular needs. In addition to specific knowledge and skills, we must also teach civic and social responsibilities through understanding our American Heritage.

In order to accomplish these goals, I believe it is necessary to employ and retain the best teaching staff possible, to constantly evaluate the educational program, and to change and revise the curriculum in keeping with current needs and new developments. The staff should be encouraged and assisted in constantly up-dating their knowledge and teaching techniques for our rapidly changing world.

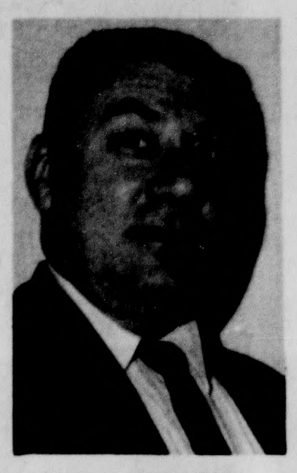

UNIFICATION

There are certain basic advantages in a unified program such as providing greater continuity and coordination of the educational program from kindergarten through high school, offering a greater variety in the curriculum to accomodate individual student needs, and better coordination on all levels to prevent drop-outs caused by lack of reading and achievement generally.

However, the voters in the district, in 1965, rejected the current plan of unification based on the present high school boundaries.

There is now the possibility that the State Legislature may modify the present law to allow for variations in the plans for unification, which may be more acceptable. As a representative of the voters, I feel that it would be necessary to ascertain and carry out the wishes of the majority represented.

In the event that the present plan for unification should be approved by the voters on April 18, I believe that I should be elected to the new board of trustees, in order to help establish the new school district. In the formation and operation of a new unified district, it would be most essential to have the services of a board member who has had four years of experience in school fiscal policies, as well as in matters of personnel, curriculum, and school facilities.

G. R. Westphal

AUTOBIOGRAPHY

G. R. (Jerry) Westphal, of 7833 Alta Cuesta Dr., Cucamonga, makes the following statements:

Concerning education: I am a graduate of Chaffey High School, Ontario, a graduate with A.A. from Chaffey College, Ontario, and a graduate with B.A. from Woodbury College, Los Angeles, in field of business administration.

Public Service: Joined Air National Guard in January, 1940, as a private, served in World War II in the Pacific Area for the duration; continued with the Air Force Reserve, now holding rank of Lt. Colonel, at Norton AFB.

Formerly a member of the Upland Lions Club, I resigned when business committments precluded attendance at meetings; was on the original Adult Advisory Board when the Oasis Youth Center was formed; a member of the Mens Building Committee of the Assistance League of Upland; past secretary of the Inland Empire chapter of Lumberman's association for 3 years.

Vocation: Sales work, the administration and purchasing and management in the lumber and building material industry for 30 years. Currently with The Key Corporation of Rialto, Calif. Also a partner in the California Nameplate Co. in Upland - silk screening and circuit board business.

I have held a special teaching credential for the purpose of coordinating and administering and instructing classes for the owners, managers and employees of outlets in the building industry at Riverside, Santa Ana, and Pasadena City Colleges.

STATEMENT

My decision to run for the School Board of Central School District was not prompted by any grievance or complaint, but simply the desire to participate in the continuance, or whenever possible, the promotion or improvement of the best education available to the young people of the Central District.

UNIFICATION

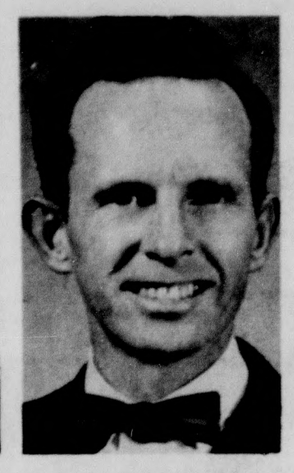

I feel that the basic concept of unification of school districts offers many advantages in the establishment and administration of school policy, and in the equality and smooth progression of the curriculum between grades and levels.

HOWEVER, I do not feel it is feasible for this district at this time. I feel the presently proposed district would be unwieldy in size, number of schools and students, and in the number of communities involved.

It is my understanding that legislation is now pending which could change the current requirements for district boundaries, which could change the entire potential for the Chaffey District.

Should unification be passed by the voters at this election, my reasons for seeking a position on the Unified Board would be the same as my statement above. I feel that my administrative experience in business and in the Air Force would be of value to this job.

News Deadline 5 p.m. Monday

Richard H. Pearson

AUTOBIOGRAPHY

Richard H. "Ric" Pearson, a native of Southern California, resides at 1108 W. Locust St., Ontario, with his wife, Barbara, and four children, Douglas, 14, attending Chaffey High School, Gregory 12, and Krista, 10, attending Cypress Elementary School, and Michelle, 17 months.

Pearson, 41, is owner-manager of Midway Building Materials, 4531 Holt Ave., Montclair, for the past 14 years.

An incumbent of the Montclair School District Board of Trustees for 4 years, he is presently vice president.

Community involvement includes active membership in Westminster Presbyterian Church, Ontario, Charter president Ontario-Parkway Kiwanis Club, an Eagle Scout with 29 years of scouting, presently Scoutmaster Troop 337, committee member of Broken Arrow District Old Badldy Council; past member West End Red Cross board of directors; Cypress Elementary School PTA, Masonic Lodge, Montclair Chamber of Commerce, past board member 4 years.

A veteran of World War II, Navy Air Corps 1943-46 he had overseas duty in Okinawa. He attended UC Davis 1946-50 and graduated from UC Berkeley in 1950.

STATEMENT

During the past four years, as a member and vice president of the Ontario-Montclair School District Board of Trustees, I have enjoyed actively participating in the educational advancement of the district.

We have continued to upgrade older facilities and to build new ones at a rapid rate. With the opening of two new schools, we expect to have no students on double sessions next year.

Our educational program has been enlarged as rapidly as sound practices would allow.

The Head Start program has been established as a part of our school program and we have participated in many other Federal projects. Recently we opened our Trainably Mentally Retarded School at Buena Vista to complement the services of the Cypres Orthopedic Unit. In addition, we have expanded the Educably Mentally Retarded Classes.

Our curriculum has been broadened to keep pace with new concepts and with the help of team-teaching, specialists and aides, we are endeavoring to reach the "whole" child in order that he can learn to the best of his ability.

We have a Board with integrity, excellent school administrators, dedicated teachers and employees, and a hard working PTA. Therefore, I would like to continue working with them.

UNIFICATION

I filed for the Chaffey Unified Board because of my interest in a business-like change over if unification should pass.

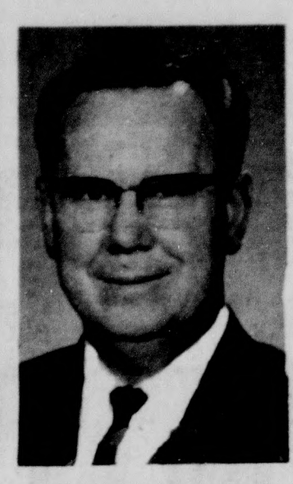

I am also running as an incumbent for the Ontario-Montclair School District Board and I feel that members of a new Board should have school board experience, because school administration and finance are big and complex business.

People familiar with school operations are a necessity for setting up new policies and educational philosophies for a new school entity.

My interest is to obtain the best education possible for the children of our area, who will be the leaders of tomorrow. This should be accomplished for the lowest possible property tax.

I agree with the principle of school unification, but in my opinion this particular measure would not bring a tax savings, we would lose some of our state support and we would end up with a large, unwieldy and poorly conceived school district.

A better unification plan should be formulated and a more equitable financial structure must be adopted so that the tax burden does not work an undue hardship on the property owner, who is having difficulty in carrying more than his share of the cost.

A. Richard Allred

AUTOBIOGRAPHY

I was born Aug. 29, 1921, in Salt Lake City, Utah. That makes me 45 years old. While I was still an infant, my parents and family moved to Los Angeles.

I received all of my pre-college training in the Los Angeles City School System. In 1943 I graduated from the Brigham Young University with a composite major in physics and mathematics.

I left college during my senior year in 1942 to serve with the United States Army Air Forces in the Pacific theatre of operations, and obtained my college degree while serving in the armed services.

I am currently the Vice President and General Manager of Bonham, Inc., in Montclair. We manufacture sporting goods. Prior to joining Bonham, Inc., in 1952, I was an Industrial Engineer at Kaiser Steel.

My wife, Marian, and I moved to Upland in 1951. We have eight children -- three boys and five girls, who will be progressing through our schools for the next 20 years.

Since moving to this area, I have been superintendent of Sunday Schools for the Church of Jesus Christ of Latter-day Saints in the district of Pomona, Ontario, Riverside, Mira Loma, and Arlington. I am currently active in my church in the Upland-Ontario area.

UNIFICATION

You ask whether I am for the proposed one-district unification. Unification may be very desirable because it coordinates the curriculum from the kindergarten through the senior high school.

This does not necessarily justify the size of the single unified district which is being forced upon us by the Unruh Bill, Assembly Bill 145x.

My objection is that we as a community have not been given the opportunity by the County or the State to alter the size of that district. In fact, the law requires the people to vote "yes" on unification in order to obtain a $15.00 bonus for each student, based upon an average daily attendance figures, approximately half a million dollars for the 10 districts.

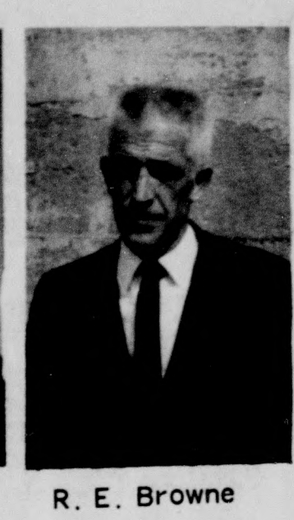

I do not believe that tax money should be used as a bribe to get people to vote "yes" on school district unification. I wonder how our State Legislature can pass laws giving us a right to vote and then penalize us if we do not vote the way they want us to.

I have some doubts whether the advantages to be gained by one large district justify the loss of local representation, which will be brought about through the elimination of all other school boards in the area. Unification is not necessarily bad, and can be good.

I filed as a candidate for the unified board so that there could be a carry-over of some experienced personnel from the already established school boards. Should the local citizens decide that they want unification and want me to represent them, they have the choice.

Should the voters of the area decide on a unified district, the board that is elected will have one year in which to organize and establish the new unified district.

I am sure there would be changes in personnel and some changes in curriculum, but it is during that year of planning and organizing that the details of these changes would have to be worked out. I am not in a position to make any recommendations of changes either in curriculum or personnel without further study.

R. E. Browne

STATEMENT

Richard E. (Tip) Browne, makes this statement:

I have filed for this office because of my growing concern over the fiscal problems facing local school districts today.

I feel that my years of experience in business management will be of considerable value in determing and implementing fiscal policy.

It is my opinion that high standards of sound education can be maintained without extravagant expenditures of the tax money we property owners have to pay.

UNIFICATION

I am a very strong believer in local control, which in my opinion assures that the local property tax payer has an opportunity to govern the level of the taxes he has to pay.

The creation of one huge district will dilute local control and will not necessarily result in economies for the taxpayers.

It is my opinion that our State legislators have done a great dis-service to the voters of California by requiring that the question of unification be put to the voters every two years until complete unification is achieved.

The most appalling aspect of this is the $15 per student reward for voting "Yes" on unification. The State is "stuffing" the ballot box and using the taxpayers money to buy the votes! I am not opposed to some degree of unification if it actually improves the quality of education and at the same time reduces the cost, but I am opposed to the unification plan as proposed and will vote "NO".

Should it pass, I want to be a member of the Board in order to see that control of our schools remains in OUR hands.

Fred Gregorowich

AUTOBIOGRAPHY

I was born in Hartford, Connecticut 43 years ago, and lived in Plainvelle, Connecticut until I was 19 years old I attended and graduated from Plainville high School.

After graduation from High School, I enlisted in the U. S. Marine Corp, where I spent a little over three years. The third year was spent in California at Camp Pendleton.

It was while at Camp Pendleton that I met my wife, Virginia Nicholson. We were married in Upland in 1946. We moved to Connecticut after my discharge from the Marines. After living in Connecticut for one year, we moved back to California. Upon returning, we built our home at 1223 N. Cucamonga Ave., Ontario, where we raised our two children, Alexa (19) and Steven (16).

In the time I have been in California I have worked for General Electric, Northrop; Lockheed, and am at present working for the California Youth Authority as a Group Supervisor. I was active in the Boy Scouts of First Lutheran Church, Ontario for 10 years. I am a member of the American Legion Post 112. I am now attending night school at Chaffey College, majoring in Supervision.

STATEMENT

Having worked with young people for approximately 15 years, I feel that I may be able to help the people of our School District.

I believe that because our children are in school for such a large portion of their life between the ages of 6 and 18, that maybe our school system can help prevent a great deal of our young people from turning into Juvenile delinquents by detacting such ailments as dyslexa that affects their reading ability, and giving them more guidance when they are in school.

UNIFICATION

I am against School Unification for a very simple reason.

I believe that the smaller School Districts should remain small so more people will take an active part in the finapcing and operation of our education.

I also believe that the School Board should contact a representative of our District in Sacramento and ask him to remove the part of our Law that requires to have a vote every two years for Unification.

I believe this is harassment of the people, and should not be allowed.

Whether we have a Unified School District, or it remains as it has been in the past, if I am elected I will preform the duties of my office to the best interests of our School District.

William C. Draper

AUTOBIOGRAPHY

I am a duly elected member of the Chaffey Union High School District. My term expires June 30, 1969. I have lived in So. California appro. 50 years, in the Ontario Area 16 years.

My wife Joyce and I have two daughters Sharon, who is married and has three children and Pamela 16 is a sophmore at Chaffey Hi.

I am a state school inspector on new construction although at the present I am unemployed due to an industrial accident.

UNIFICATION

I am running for the proposed Board because I believe unification of the 10 districts involved is the best thing that could happen to these districts.

Contrary to the statements of the anti unificationists the proposed district would not be a large unwieldly district but in fact it would be an ideal size. The actual size is approx. 198 square miles about 50 square miles of this area is mountains where no one does or will reside.

Leaving a district approx. 150 square miles which is about 10 miles East to West and 15 miles North to South.

Much has been said about the cost of operating this district. One would have to be very naive to believe that for the first two years there would be any noticable reduction in taxes as all the present administratibe staff are guaranteed two years employment by the unification laws.

My interest in unification is one that most of the opponents of unification have seemed to overlook and that is the students.

Under unification the curriculum from Kindergarten through the 12th grade would uniform not subject to 10 interpretations as it is now.

Students in the smaller districts that have one teacher teaching several grades would instead be exposed to teachers that in the Elementary Grades specialize in one grade and in the Jr. Hi grades that specialize in one subject.

This should be self evident that the quality of the teaching would be much higher than it is now.

Unification would also tend to end the inequalities of the salaries of the certificated and classified employees which would raise the morale of the employees that is so neccessary in the operation of any endeavor.

SELF-SERVICE, PRE-PACKAGED MEATS CAN BE A PROBLEM!

You can see the top side of the meat but not the bottom.
So you wonder.
The steak looks good, but is the bottom all bone and fat?

It's a problem... a problem we've given a lot of thought.
We think we have the answer.
We have a policy.
We put the best side down.
The side you don't see is guaranteed to be equal to or better than the side you can see.

Simple? as ABC.
Effective? No more gamble.
Fair and square? Sure because "We Care."

Is this a good reason for shopping A&P? It's one of many.

Candidates For Chaffey Union High School District

AUTOBIOGRAPHY

Personal Data: Home, 210 W. Sixth St., Ontario. Twenty-one year resident of Ontario. Two sons, 18 and 21 years. Husband, E. N. Chapman, professor, Chaffey College.

Education: Bachelor of Arts Pomona College, Claremont, 1940. Graduate, Wright MacMahon Secretarial School, Beverly Hills, 1941.

Experience: President, Ontario-Montclair Council PTA, 1965-67. President, Chaffey High School PTA, 1962-63. Six years on Chaffey High School PTA Board. Member, West End Human Relations Committee. Chairman, Special Gifts Division, West End United Fund, 1966. Member, West End Family Counseling Service. Member, Bethel Congregational Church, Ontario.

Martha T. Chapman

STATEMENT

Through my work with Parent-Teacher organizations, I have become increasingly concerned about the educational opportunities for all youth--concerned that the needs of all students should be met whether they will be seeking jobs upon high school graduation or going to a junior college, college or university.

I am interested in the future of Chaffey Union High School District hopeful that it will attract and retain qualified teachers, provide an adequate curriculum that will reach all students and keep as much local control as possible.

UNIFICATION

I feel there are certain educational advantages to the physical unification of grades K-12. However, boundaries of the present proposal would combine the 9 elementary school districts, which are a part of the Chaffey Union High School District, into one district. Citizens should consider that this encompasses nearly 200 square miles and would involve more than 35,000 young people.

With much legislation pending which could effect unification, I feel it would be better for the communities, schools and youth to wait until all changes are accomplished before approving unification. There could not help but be a certain loss of community identity should the present bill pass.

I have filed as a candidate for the Proposed Chaffey Area Unified Board of Trustees because I feel qualified and have the time to serve the area in this capacity if the voters desire unification.

AUTOBIOGRAPHY

Paul H. Cushing, 535 E. Harvard Place, Ontario, California, born 1917, and raised in Ontario. Have spent most of my life here except for necessary interruptions.

My wife, Margaret, has been active in P.T.A. for many years, and served as vice president of the Chaffey group. We have two children: Cheryl, age 22, a senior at the University of Arkansas; and Paul, age 19, a sophomore in agriculture at Mt. San Antonio College.

I am the owner of Cushing's Seed, Feed & Supply at 205 S. Campus Ave., in Ontario; a business established in 1927 in which I have been an owner since 1947.

Paul H. Cushing

I attended Ontario Schools and Chaffey High School. My advanced education includes a Bachelor of Science degree in physical education from the University of Oregon, and graduate work in education at Pomona College and U.S.C. Served as a Lieutenant in the Naval Reserve for three years during World War II, and coached at Multnomah College in Portland, Oregon two years prior.

Presently, I am a member of the Chaffey Union High School Board of Trustees finishing my eighth year. Also a member of the Ontario Kiwanis Club, Ontario Elks Club, Past President of Optimist Club and Board Member Ontario-Upland Y.M.C.A. for 20 years.

Education: Bachelor of Arts, Pomona College, Claremont, 1940. Graduate, Wright MacMahon Secretarial School, Beverly Hills, 1941.

STATEMENT

I am now concluding my eighth year as a member of the Chaffey Union High School District Board of Trustees. It has been my feeling that it takes the first four years of service on this board before one really feels the impact that the system has on the community, and to be able to understand thoroughly its operation.

This is not to say that a first term board member is not effective because many times he can become a real stimulant and a major contributor. But it seems that the interest grows on you, and with the added knowledge accumulated by tenure, one should become a greater contributor providing his interest does not lag.

I have a profound interest and faith in this community, and in the Chaffey School District and its administration. The present board is working, and has worked tirelessly, to give this district a better school program and to do it within the ability and willingness of the voters to pay for it.

A tremendous amount of thought was given to the question of whether or not my interest still is great enough to warrant the voters allowing me to serve them for another four year term.

There have been heartaches, disappointments and frustrations, but all seem now to have made me more determined to do a better job than before, and to make the Chaffey District an even better one. I have not chosen to run for the unified board as I am not convinced of its desirability and feel that such a district would demand more time than I am able to afford.

UNIFICATION

Having served for two years on the San Bernardino County Committee on School District Reorganization, I feel that I am quite knowledgeable regarding the unification of school districts. I am not an authority but knowledgeable.

There can be advantages to unifying under certain circumstances but not necessarily so when restricted to an existing large area. It seems obvious that in many cases, such as the Chaffey District, it could prove more advantageous when unifying to consider carefully the division of the area into any number of smaller unified districts paying particular attention to the specific advantages afforded the students and the financial equity which must be a consideration.

I further believe that to offer a "reward" in the form of a temporary financial remuneration as a means of influencing the electorate to possibly vote for something that is not necessarily in their best interests borders on the immoral.

It has not been proven to me that unification as mandated by the present law and implemented by the State School Board is in the best interest of the students and taxpayers of this area. Ideally, unification from kindergarten through grade 14 is, in my opinion, a good thing in that correlation between the different grade levels can be accomplished more smoothly. However, I feel that this can be done only if all things are favorable, including the maintaining of community identity.

Fred Gregorowich

AUTOBIOGRAPHY

I was born in Hartford, Connecticut 43 years ago, and lived in Plainvelle, Connecticut until I was 19 years old I attended and graduated from Plainville high School.

After graduation from High School, I enlisted in the U. S. Marine Corp, where I spent a little over three years. The third year was spent in California at Camp Pendleton.

It was while at Camp Pendleton that I met my wife, Virginia Nicholson. We were married in Upland in 1946. We moved to Connecticut after my discharge from the Marines. After living in Connecticut for one year, we moved back to California. Upon returning, we built our home at 1223 N. Cucamonga Ave., Ontario, where we raised our two children, Alexa (19) and Steven (16).

In the time I have been in California I have worked for General Electric, Northrop; Lockheed, and am at present working for the California Youth Authority as a Group Supervisor. I was active in the Boy Scouts of First Lutheran Church, Ontario for 10 years. I am a member of the American Legion Post 112. I am now attending night school at Chaffey College, majoring in Supervision.

STATEMENT

Having worked with young people for approximately 15 years, I feel that I may be able to help the people of our School District.

I believe that because our children are in school for such a large portion of their life between the ages of 6 and 18, that maybe our school system can help prevent a great deal of our young people from turning into Juvenile delinquents by detacting such ailments as dyslexa that affects their reading ability, and giving them more guidance when they are in school.

UNIFICATION

I am against School Unification for a very simple reason.

I believe that the smaller School Districts should remain small so more people will take an active part in the financing and operation of our education.

I also believe that the School Board should contact a representative of our District in Sacramento and ask him to remove the part of our Law that requires to have a vote every two years for Unification.

I believe this is harassment of the people, and should not be allowed.

Whether we have a Unified School District, or it remains as it has been in the past, if I am elected I will preform the duties of my office to the best interests of our School District.

AUTOBIOGRAPHY

Mrs. Mary B. Hecht was elected to the Chaffey Union High School Board of Trustees in 1963. She has lived in Ontario since 1947, and in California since 1936. She and her husband, Joseph H. Hecht, have two children: Fred, a junior at UCLA, and Janet, a junior at Chaffey High School.

Mrs. Hecht is a former Social Worker, and has both a B.S. degree and M.S.S. degree in Social Science from Western Reserve University in Cleveland, Ohio. Her last professional position was Case Work Supervisor for the Los Angeles Children's Bureau.

In the community, Mrs. Hecht was a charter board member and president of the West End Family Counseling Service. She is a past president and Honorary Life Member of Chaffey High School PTA, and currently serves on it's board.

She is a past president of Chaffey AFS, and a current board member. She was elected to the Chaffey Girl Scout Council. She is a member of the American Association of University Women.

In 1964, she was the recipient of the Brotherhood Award of the National Conference of Christians and Jews, West End Chapter. She is also a National Board Member of the National Federation of Temple Sisterhoods.

Mrs. Mary B. Hecht

STATEMENT

If re-elected as a member of the Chaffey Union High School Board of Trustees, I expect to continue the philosophy and policies for education which I have actively sponsored during the past four years.

I am dedicated to the principle of maintaining the highest quality of education for each child. I believe in the concept of the comprehensive high school in which every student receives an equal opportunity to achieve his maximum intellectually, academically, technically, and physically.

Each student, whether preparing for college, or immediate vocational placement, should receive the education and preparation best suited for his particular needs. In addition to specific knowledge and skills, we must also teach civic and social responsibilities through understanding our American Heritage.

In order to accomplish these goals, I believe it is necessary to employ and retain the best teaching staff possible, to constantly evaluate the educational program, and to change and revise the curriculum in keeping with current needs and new developments. The staff should be encouraged and assisted in constantly up-dating their knowledge and teaching techniques for our rapidly changing world.

UNIFICATION

There are certain basic advantages in a unified program such as providing greater continuity and coordination of the educational program from kindergarten through high school, offering a greater variety in the curriculum to accomodate individual student needs, and better coordination on all levels to prevent drop-outs caused by lack of reading and achievement generally.

However, the voters in the district, in 1965, rejected the current plan of unification based on the present high school boundaries.

There is now the possibility that the State Legislature may modify the present law to allow for variations in the plans for unification, which may be more acceptable. As a representative of the voters, I feel that it would be necessary to ascertain and carry out the wishes of the majority represented.

In the event that the present plan for unification should be approved by the voters on April 18, I believe that I should be elected to the new board of trustees, in order to help establish the new school district. In the formation and operation of a new unified district, it would be most essential to have the services of a board member who has had four years of experience in school fiscal policies, as well as in matters of personnel, curriculum, and school facilities.

Casa Colina gets special license

On March 13, 1967 Casa Colina Rehabilitation Center received a specialized hospital license for physcial medicine and rehabilitation from the State Department of Public Health.

Prior to receipt of this license, the hospital was licensed as an establishment for handicapped patients.

This license is issued only to qualified hospitals who have similar services to a general hospital with the exception of major operating rooms, emergency rooms, and delivery rooms.

Casa Colina is also a participating hospital in the Federal Medicare program, Cal-Map and Crippled Children Services.

Science projects at UHS

Chaffey Union High School trustees Monday, April 3, tentatively approved two science projects for Upland High School totaling $13,570 in order to file an application for NDEA funding by April 15.

The trustees also granted sabbatical leave to Kenneth Buck, chairman of the Montclair High School history department, for a year of graduate work at Claremont College, and heard a report that Alta Loma High School was being inspected this week for full accreditation and prospects look favorable.

The board took under study a recommendation from the Sacramento County School Board that a resolution be approved seeking a one cent state sales tax to be earmarked for school purposes.

The Upland High School science projects include an Edex system at a cost of $8,570 with the district's share at $4,285, as well as a science resourse center costing $5,000 with the district's share at $2,500.

Inclusion of these projects in the budget cannot be determined until the board has an opportunity in the spring to determine its finances. The application was approved to qualify for federal funding but a final decision on the projects was withheld.

Resignations from three Upland High School teachers was accepted by the board. They include Jimmie Tabor, science teacher; Mrs. Diana Mether, business teacher; and Glenn Nichols, science teacher.

Teacher contracts submitted for approval at Upland High School for the 1967-68 school year were approved for Mrs. Cynthia Cornell, English; Kenneth Johnson, science; John A. Pickering, history; and Alan J. Rhodes, English.

The board reduced its asking price on an obsolete school bus from $800 to $600 and approved a motion to advertise it for bids again.

A bid of $3,067.64 was accepted from Citrus Motors for a 4-door station wagon for the district over a lower bid of $2,854.79 from M.K. Smith Chevrolet Co. which did not meet specifications. The trustees were interested primarily in a two-way opening tail gate which the Chevrolet model does not have.

If the inspection team of the Western Association of Schools and Colleges, visiting the campus April 1 through 4, grants Form A accreditation to Alta Loma High School it will be the first. The teams reviewed self-evaluation reports from the school and made an objective study of the school.

The Chaffey School Board will meet again April 10 at 7 p.m. in the board room at Chaffey High School following a dinner at 6 p.m. in the faculty dining room of that facility.

Winners in car model contest are announced

The Upland Feed and Fuel Toy Annex, with the aid of Riverside Specialty Co., recently sponsored a car model contest for five weeks from February 18 until March 25.

Mr. Bill Cummings and Mr. BobWeeks, who are representatives from the Riverside Specialty Co. judged the entries which numbered over 50.

Each model was judged separately on a ten point basis - 1) Movable parts, 2) Originality 3) Interior 4) Undercarriage 5) Paint job 6) Safety equipment 7) Engine detail 8) Appearance 9) Customizing 10) Judges' opinion.

Winners of the Junior Division were: in first place, Chris Paris, 12 of 8762 Red Hill Country Dr., Cucamonga; second place, Bruce Kirkaldy, 11, of 780 N. Spruce, Upland; third place, Mike Larkins, 11, 890 N. Campus, Upland.

In the Senior Division: first place, Jim Gibel, 17, of 880 Orchid Ct., Upland; second place, Norm Frey, 18, 1672 N. Euclid, Upland; third place, Jack W. Anderson, 16, 251 Greentree Rd., Upland.

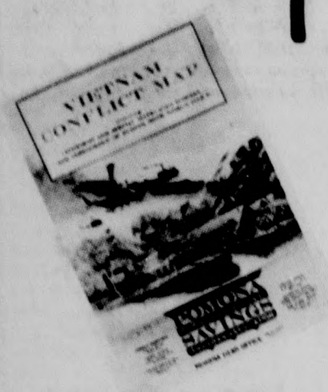

First place winners won each a trophy and a five dollar gift certificate. Second place received a trophy and a gift certificate for two dollars and fifty cents. Both third place winners received a trophy.

Plans are being made for another contest in September.

MODEL CAR AWARD WINNERS -- Proudly displaying their prize car models and trophies are these five local boys who took part in a recent model building contest sponsored by The Upland Feed and Fuel Co. and the Riverside Specialty Co. Winners in their divisions are front left to right, Junior division, Chris Paris, Bruce Kirkaldy, and Mike Larkins. Back row at the left is Senior Division, Jack Anderson and on the right, Norman Frey.

Convalescent home postponed for plan development

A new 140-bed convalescent home for the aged as part of a broad complex development was postponed for 30 days until a site plan can be developed.

The Planning Commission on Mar. 23 worked out the delay with Melvin Fuller, Director of the Arlington Convalescent Hospital, who appeared on behalf of six doctors plus Dr. Joseph Powers, requesting a zone change from R-3, multiple family residential, to CP, commercial-professional.

The area in question is South of Mesa Court, and includes land bordered by the alleys East of Campus, West of 9th Ave., and North of 11th St.

Mr. Fuller explained to the Commission that the developers had purchased all the land and the buildings on the site, and would turn the entire area into a "complex" including parking, recreation, use of present buildings, dedication of streets, etc.

The Planning Commission expressed its pleasure at the thought of the development, especially utilizing existing buildings, but asked that a delay be set up so that a precise site plan could be shown at the next Commission meeting at 7:30 p.m. Thursday, April 27.

The land consists of approximately 6.2 acres.

* * *

PLANNERS ALSO postponed until the next meeting two other zone changes.

One was for a lot of 1.9 acres on the Southeast corner of Benson Ave. and Ninth St. The applicant, R. H. Barker, 615 N. Monterey St., Alhambra, sought a zone change from A-2 to M-1.

Upon recommendation of Consultant Eisner, this lot plus the next two lots which are zoned A-2 all will come up for study at the next meeting.

The entire strip on 9th St. on both sides of the street East of Benson would be zoned M-1 if all three lots were changed. Rezoning one lot, however, and leaving the other two A-2 would create problems for the city and the developer, he pointed out.

* * *

THE SECOND DELAY was made on a 2-acre site at the Southwest corner of San Antonio Ave. and Ninth St.

Ben Kaufman, 1230 W. 253rd St., Harbor City, appeared to seek a zone change from M-1 to C-1 so that he could build a convenience type shopping area.

The Planning Commission appeared favorable toward the development, but delayed a decision until the next meeting so that a 40-acre study of the entire corner and the general plan could be considered.

It was deemed important that the Commission keep things in proper sequence by reviewing the general plan and then voting on the specific request.

Leaving town? Let our classifieds serve you

Leaving town? Got furniture or appliances around the house you're not using and would like to convert into cash? The News-Tribune classified ads are for you.

Mr. H. Quinn recently advertised a group of Maple Furniture and appliances for sale in the classified section. He sold everything after the first insertion and left town with his pockets jingling.

Sometimes it takes a little longer. Mr. M. D. Hanlon published an ad in the section for three weeks before he sold a Kelvinator Electric Range which was cluttering up his kitchen. As Mr. Hanlon was not leaving town, he was just as happy.

Don't miss a good bet. Try the News-Tribune classified section today.

Breakfasts for YMCA are slated

A "Yacht Regatta" served as the theme for the 1967 Upland - Ontario Y.M.C.A. membership enrollment which got underway with a breakfast at the Y.M.C.A., at 7 a.m., Tuesday, April 7.

Commodore of the Regatta is Burt Miller, Ontario Division Manager of General Telephone Company. Serving him as "Skippers" are Dale Bunch, Al Smith, Chuck Linck, Lyle Snow, Don Wight, Gene Vaught.

First Mates are Gene Alair, Al Swinler, Jr., Ed Dean, Keith Larick, Jr., Lyle Fry, Ernest Payne, Burt Wiley, Milo Thomas, Herb Swinney, Carl Quandt and Jerry Johnson.

Also, Burt Francis, Doyle Stoops, Bob Branch, Steve Weiss, Russ Ryckman, Bill Dingle, Paul Clarke, Dan Norman, Frank Corsaro, George Whitten, Mrs. Ruby Wignall, Tom Dugan, and Dan Bruno. Each Mate will have five deckhands.

Goal for the Membership enrollment is 1,000 members.

Report Breakfasts will be held: Thursday, April 6, Tuesday, April 11, Thursday, April 13, and Thursday, April 20.

Programs are available for the entire family at the Y.M.C.A.

For boys there are gym and skill classes; for the fathers and sons, there is the 'Y' Indian Guides Program; there is a Slimnastics Class for mothers, and for the fathers, a physical conditioning class. The 'Y' also has a high school club program called Hi'Y and Tri-Hi-Y with a goal of service to the home, school and community.

Let There Be Light

A LIVING TRIBUTE

Many kind and compassionate people live their entire lives with the thought of their stricken and less fortunate brethren. One of the finest and noblest acts that can be performed in behalf of such an individual is a donation to a charitable organization in their name.

A few of the charitable causes to which such donations may be made are, cancer fund, heart fund, hospitals, or the church of their choice.

The funds for cancer and heart research today come entirely from grants and donations by charitable people. The funds given in memory of a loved one or friend is the key that will one day unlock the door to the conquest of man's greatest enemy . . . "Disease".

Donations to these charitable organizations may be made through your local funeral director, clergyman, or simply place a check in an addressed envelope in care of your local Postmaster.

New at *Hottel's* OF UPLAND
You'll never cry over spilt milk when you buy this easy-care Mohawk carpet!

Imagine! Your own dining room with all the luxury, beauty and warmth of carpeting...without ever having to worry about overturned glasses, dropped gravy dishes or chocolate cake crumbs!

Chances are, you've dreamed of such carpet for years —carpet that could go from soup to nuts and never show a spill, a stain or a spot. And if you're a woman whose children seem to get more food on the floor than in their mouths, ordinary carpet just couldn't do the job. But now, you don't have to dream about it any more. We can't wait to see the look on your face when we show you what *this* amazing carpet can do!

It's Mohawk's MODE...made of DuPont Orlon® 33 acrylic fiber! And what an elegant, thick, luxurious carpet it is! Its thick, tip-sheared texture creates a distinctive, rich complement for either traditional or contemporary decors —so beautiful, you won't believe you can really use it in your dining room. But you can— it cleans without leaving the slightest mark and repels the toughest food stains!

We're featuring MODE in 14 of the most luscious, appetizing colors ever—all the way from subtle, warm beiges to vibrant, dazzling reds! And even though you would expect such a magnificent, full-bodied carpet to cost dollars more, you can have MODE in *your* dining room...

for only $10.50 a square yard
(Ask about our easy payment plan!)
Come in today; see all the other Mohawk carpets we're featuring— one for every room in your home. Or, call us for our convenient shop-at-home service!

LOOK AT YOUR FLOOR, OTHERS DO.

'Youth Sabbath' held at 7th Day Adventist

"Youth Sabbath" at the Upland-Ontario Seventh-day Adventist Church, was Saturday, Mar. 25.

Called Missionary Volunteer Day, it marked the close of a week of Christ-centered services for the young people of the church, according to Bob Bauer, youth activities director.

Featured in the 11 a.m. emphasis-on-youth services Saturday morning were three youth speakers, David Petrall, Marty Cervantes and Robert Peach who spoke on different facets of "Christ For Today." Leona Haury offered the invocation and Denny Coffin told the junior story.

The choir sang "On the Cross Of Calvary". During the Service Jan Bristol and Yolanda Cervantes offered prayer, and after the sermon the choir sang, "The Holy City". The benediction was given by Richard Stratton.

Membership in the local church society numbers thirty-five and is open to all youth of the community.

NOTICE OF PUBLIC HEARING
ZA-43

NOTICE IS HEREBY GIVEN that the City Council of the City of Upland will hold a public hearing on Tuesday, April 18, 1967, at 7:00 p.m. in the Council Chambers of the Upland City Hall for the purpose of considering an amendment to the text of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code, regarding:

NOTE: Underscored letters denote material to be added. ~~Strike-out~~ denotes material to be deleted.

SECTION ONE,
Section 9110.17 - SAME.
USES PERMITTED

Section 9110.17-L (Uses Requiring Conditional Use Permit in A-1 zone) is amended by adding a sub-section (6) as follows:

(6) Wholesale - Retail Nursery (limited to plants grown on premises)

SECTION TWO,
Section 9110.60 - SAME.
USES PERMITTED

Section 9110.60-D (Services in C-2 zone) is amended by adding sub-section (12) as follows:

(12) Dance Studios

SECTION THREE,
Section 9110.67 - SAME.
USES PERMITTED

Section 9110.67-B (Retail Stores) is amended by amending sub-section (7) thereto reading as follows:

(7) Cocktail lounge and taverns - except when the building housing the cocktail lounge or tavern is proposed to be located within 600 feet of a school, municipal park site, church, residence, or land either zoned or master planned for the uses above mentioned, measured from the nearest point of the premises of which the uses above mentioned are either located, proposed, zoned, or master planned, to the nearest point of said building in which the cocktail lounge or tavern is to be housed.

Section 9110.67-F (Uses Requiring Conditional Use Permit in C-3 zone) is amended by adding a sub-section (5) as follows:

(5) Cocktail lounge and tavern, if within 600 feet of a school, municipal park site, church, residence, or land either zoned or master planned for these uses, subject to the provisions of Section 9110.117 et. seq.

SECTION FOUR,
Section 9110.72 - SAME.
USES PERMITTED

Section 9110.72-B (Services in C-4 zone) is amended by adding sub-section (13) as follows:

(13) Dance Studios

Section 9110.72-C (Uses Requiring Conditional Use Permit in C-4 zone) is amended by adding sub-section (11) as follows:

(11) Moving and Storage Warehousing

SECTION FIVE,
Section 9110.84 - SAME.
USES PERMITTED

Section 9110.84-A-(9) Uses Requiring Conditional Use Permit in M-1 zone) is amended by adding a sub-section (1) as follows:

(1) Recreation Club (private)

SECTION SIX,
Section 9110.109-H - OFF-STREET PARKING

Section 9110.109-H-3 (Commercial Districts)

Section 9110.109-H-3-(a) is amended by an addition to read as follows:

(a) "C-1" NEIGHBORHOOD STORES DISTRICT: There shall be provided at least one (1) parking space of 200 square feet for each one hundred fifty (150) square feet of gross floor area, and in addition thereto that aisle space and other area required for safe ingress and egress, however, the calculation of required off-street parking shall exclude basements proposed for medical records storage or other similar purpose and not designed to be used for any purpose that would cause additional employee or visitor parking.

Section 9110.109-H-4 ("M-1" Light Industrial Districts and "M-2" General Industrial Districts) is amended to read as follows:

~~There shall be one off-street parking space for each two - permanent - employees located within three hundred feet of the property served. In addition there shall be at least one parking space for each - sales - person - permanently employed.~~

There shall be one (1) off-street parking space for each three hundred (300) sq. ft. of gross floor area. In addition thereto, the parking lot shall provide for aisle space and other area required for safe ingress and egress.

Commercial uses listed under Section 9110.84-a shall provide parking on the same basis as required in the "C-1" District. (See Section 9110.109-H-3-a.

This public hearing will be conducted pursuant to the provisions of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code and Sections 65500 - 65800 of the Government Code of the State of California.

All persons interested in this proposal are invited to attend.

Dorris Magruder,
City Clerk

NOTICE INVITING BIDS FOR SALE OF CERTAIN CITY OWNED BUILDINGS
Invitation to Bid
No. CC-67-102

Sealed bids will be received by the Purchasing Office, City Hall, City of Upland, up to the hour of 3:00 P.M., 12 April, 1967, at which time said bids will be opened by the City Manager in the Council Chambers, Upland, California, for purchase of the following described items.

House located at 419 N. 1st Avenue, Upland, more properly described as that house located on the front portion of the north 48 feet of Lot 7, Block 22, Town of Magnolia, MB 9/15.

House located at 419-1/2 N. 1st Avenue, Upland more properly described as that house located on the back portion of the north 48 feet of Lot 7, Block 22, Town of Magnolia, MB 9/15.

These buildings are offered for sale, exclusive of the land "as is and where is" and without recourse to the City of Upland or its officers or employees. No guarantee or warranty is herewith expressed or implied.

The buildings must be completely removed from their present location by the successful bidder within thirty (30) days after date of notice of award. The area shall be left free of rubble and blade clean following building removal.

Bidders are invited to bid on one or both buildings. Award of sale will be made on an individual building basis.

Bid blanks are available at the office of the Purchasing Agent, City Hall, 177 "D" Street, Upland, California.

The City of Upland reserves the right to reject any or all bids or accept the bid that best serves the interest of the City of Upland.

By order of the Council of the City of Upland.

SIGNED:
I. C. HAROLD TERRY
Asst. Purchasing Agent
City of Upland

T.O. No. 561690

On April 18, 1967, at 11:00 A.M., TITLE INSURANCE AND TRUST COMPANY, as substituted Trustee under and pursuant to Deed of Trust dated June 1, 1962 in favor of SOUTHERN CALIFORNIA MORTGAGE AND LOAN CORPORATION, and recorded June 25, 1962, as instr. No. 177, in book 5722, page 11, of Official Records in the No. 177, in book 5722, page 11, of Official Records in the office of the County Recorder of San Bernardino County, California, and assigned to METROPOLITAN LIFE INSURANCE COMPANY, a corporation, WILL SELL AT PUBLIC AUCTION TO HIGHEST BIDDER FOR CASH (payable at time of sale in lawful money of the United States) at the front entrance of the Pioneer office building of Title Insurance and Trust Company at 340 Fourth Street, San Bernardino, California; all right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in the City of Upland, in said County and State described as: Lot 4, Tract No. 6368, as per map recorded in Book 81, pages 100 and 101 of Maps, in the office of the county recorder of said county.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the unpaid principal sum of the note secured by said Deed of Trust, to-wit: $14,850.25, with interest from June 1, 1966, as in said note provided, advances, if any, under the terms of said Deed of Trust, fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust.

The beneficiary under said Deed of Trust, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on December 8, 1966, the undersigned caused said notice of breach and of election to be recorded in book 6739, page 991, of said Official Records.

Date: March 16, 1967
TITLE INSURANCE AND TRUST COMPANY
as said Trustee,
By RICHARD W. HURRELL
Assistant Secretary

NOTICE OF TRUSTEE'S SALE
T.O. No. 7828

On April 18, 1967, at 2:00 o'clock P.M., at the West entrance of the City Hall City of Ontario, California, LYTTON FINANCIAL CORPORATION, as Trustee under the deed of trust made by SALVATORE P. OSIO, a married man; and THOMAS E. JORDAN, a married man and recorded February 14, 1964, in Book 6087, Page 627, of Official Records of San Bernardino County, California, given to secure an indebtedness now owned and held by LYTTON SAVINGS AND LOAN ASSOCIATION, by reason of the breach of certain obligations secured thereby, notice of which was recorded November 28, 1966, in Book 6734, Page 444, of said Official Records, LYTTON FINANCIAL CORPORATION will sell at public auction to the highest bidder for cash, payable in lawful money of the United States at the time of sale, without warranty as to title, possession or encumbrances, the interest conveyed to and now held by said Trustee under said Deed of Trust, in and to the following described property, to-wit:

Lot 12, Tract No. 5093, in the county of San Bernardino, state of California, as per map recorded in Book 69, pages 76 and 77 of Maps, in the office of the county recorder of said county.

for the purpose of paying obligations secured by said Deed, including the remaining principal sum of $11,869.05, interest, advances, if any, under the terms of said Deed, and fees, charges and expenses of the trustee.

Dated: March 15, 1967
LYTTON FINANCIAL CORPORATION, Trustee

Spanish Trail Girl Scout Council offers variety of camps during summer

Camp brochures detailing the variety of summer camps available to girls 7 through 17 have been distributed by Spanish Trails Girl Scout Council. Registration for short term resident and established camps opens April 3.

Short term resident camps are: "Hideout Canyon," located at Big Dalton Canyon in Glendora, - a good introduction to resident camping for beginning campers; two "Skills Camps," a combination of day and resident camping, one located at Firestone Scout Reservation off Brea Canyon Road, the other at Sycamore Canyon in Diamond Bar and our Council-owned sites, Twin Valleys in the Los Angeles National Forest above Wrightwood; "Exploring Our World," where the Scouts will spend an exciting 6 days camping on the beach at Santa Barbara and will explore the natural history of the area; "Seaside Studio" at Laguna Beach Scout House, an advanced experience for girls who have a keen interest in the arts.

The established camps are Camp Conifer situated near Running Springs and Camp Manzanita at Wrightwood. Experience at short term and established camp include learning new and improving outdoor skills, exploring nature, swimming, singing, sleeping under the stars, with the development of the camper as an individual and as a member of a group of prime importance.

May 1 marks the beginning of registration for the 20 general day camps offered within the Council boundaries. Day Camp provides girls the opportunity to camp by day but return home in the afternoon.

Activities usually include camp skills, games, nature study, folk dancing, singing, outdoor cooking and hiking. The Day Camp program will emphasize the 7 basic camp skills for younger girls and more advanced camp skills for older girls. Juniors and Cadettes in attendance often plan an overnight.

The Council offers 7 specialized day camps for which the registration date is also May 1. These camps have a special emphasis either in horseback riding, backpacking, swimming, nature and nature crafts, or exploring the arts.

All, except established camps are staffed by selected and trained volunteers who are interested in the out-of-doors and in providing a camping experience for girls.

Charity League Meets April 10 In Upland Home

The home of Mrs. Robert G. Williamson, 219 East Sixth Street, Ontario, was the setting recently for a noon luncheon when the bridge section of Foothill Chapter, National Charity League Inc., met for its monthly meeting.

Co-hostessing the event with Mrs. Williamson were the Mmes: Edward J. Duffy, Donald K. Wake, and Wilfred M. Mac Sween.

Prizes were awarded Mrs. Floyd Plasman, Mrs. Paul Bleiler and Mrs. Nelson A. Gray.

Present besides the above mentioned were the Mmes: Gene L. Alair, Ralph Durso, John Colombero, B. C. Stevens, George K. Janesick, James Keeshen, Lynn W. Kloepfer, John H. Hooval, Henry H. Ogden, Frank J. Pendergast, John Plasman, Donald Reierson, William - Plasman, Jr., Douglas Sage, John B. Skewis, Roy R. Strickling, Hugo Vavrinek and George Yetter.

Mrs. Frank J. Pendergast, Mrs. Alair and Mrs. Colombero will co-hostess the 10 a.m. Monday April 10th meeting, in the Upland home of Mrs. Reardon Dight, 1578 North Euclid Ave.

Tri-county MS group rummage sale April 7-8

The Tri County Multiple Sclerosis Activity Group, will hold a rummage sale April 7 and 8 at 372 East C Street, Upland, in the new shopping center.

This organization sponsors a loan closet for the roster of patients they serve and money derived by the rummage sale will help in buying wheelchairs, walkers, crutches and needs of patients.

An editorial

Unification of schools into one-big-district deserves NO vote again

If history ever repeated itself, it definitely has in the 1967 version of the school unification election, and the results should repeat themselves, too.

Voters throughout the Chaffey Union High School District are being asked if they want to vote for the identical unification proposal they so soundly, and rightly, defeated two years ago.

The question is the same, and we urge every voter to make the results the same, only we hope this time the defeat of the unification proposal is even more decisive than the 3-2 margin of 1965.

It's probable that such will be the case. Even some of the strong supporters of the unification idea have decided to switch, and now strongly oppose it the second time around.

• • •

It should be said at this point, that unification in and of itself is not evil. In fact, the idea of all grades, kindergarten through high school, under one board and one administration with an integrated curriculum, can be a good thing.

BUT: Unifying the entire CUHS District and its nine elementary districts into the third largest school district in California is a bit too much.

California Teachers Association has come up with an enrollment of some 25,000 as being big enough for a unified district. Today, CUHS and the nine elementary districts have 35,000 pupils, and watch for that to double in not too many years. We ultimately would have 110 schools in the one single unified district, and be the third largest school system in the entire state.

• • •

Behind the growing opposition to the one-big-district unification plan lies an increasing hope, not without some basis, for a legislative change in the unification law.

Governor Reagan and an increasing number of legislators have taken cognizance of the fact that many more unification elections under the old law have lost than have won. The voters have spoken numerous times on forced unification.

Several bills affecting unification and school financing have been introduced in the legislature. But, until a change is made at that level, we must go through the motions of an election that will waste $10,000 of our money, and once again speak with the ballot, telling Sacramento we would rather do it ourselves, than have them force their style of unification down our throats.

Come April 18, there's only one way to vote on unification: NO.

Another resounding defeat of the same tired old one-district plan will strengthen our voice, help speed legislative changes so we can unify into reasonable sized districts, big enough to do the job of educating our children, yet small enough to avoid the dangers of becoming another Los Angeles school district.

We urge a NO vote on unification April 18.

Before I Forget

By Mel Hodell

IF EVER I would predict a defeat for a ballot measure, the upcoming one-big-district unification one on April 18 would be a natural.

I think it would take "once-in a century Harry Truman sort of vote" to pass this one.

Two years ago the voters heavily defeated the ONE district plan by 60 to 40%.

Now there is hardly a soul around who is favorable to the idea. The only person I have run into who is in favor is William Draper, an incumbent on the high school board who is running for the UNIFIED board only.

For this election I've witnessed increased opposition on the part of school board members, other school officials, and citizens.

This doesn't mean every last person is going to vote NO, but I would predict a heavier NO vote than last time around.

I've talked with a local superintendent of schools (and one who should know) and he says the administrative mess that will come our way if this passes will be beyond description. He predicts at least half a dozen assistant superintendents will be necessary to divide up the responsibilities and try to make the big new district function.

• • •

MOST PEOPLE are not against the idea of unification as such. I'm For unification. But I'm against having such a big district.

We ultimately would have a district with 110 schools, and be the third largest school district in the State.

I honestly don't think there are very many parents who would like to be sending their children to the Los Angeles school system today.

The California Teachers Association has decided that a unified system of 25,000 pupils is the best size. Yet right now, in 1967, we already have 35,000. And this will double and triple as the years go by.

The proposal, which is the same as that presented two years ago, is a carrot and club type of "forced" unification. Every two years a district is forced into the voting booth. And dangling overhead is a carrot of money that makes it appear the district will be rich and taxes will drop and the world is made of green cheese.

But after that first year, our local taxes go up, our State Aid drops, and we begin to pay the price.

In addition, there isn't a soul around anywhere who says the total operation cost of a unified district will be less. It's the other way around. Costs will go up.

For example, we never have been able to get an estimate of the costs of teacher's salaries. Under unification there will be one salary schedule, and that one schedule will be the highest now existing through the 10 districts. In other words, you take the highest salaries being paid in various areas and districts, put them together as a composite, and the answer is that teachers in nine of the 10 districts will get raises.

This will be a real bundle of money.

Nor do I think the quality of education will rise under one-district unification. Certainly there are areas where larger groups may be advantageously set up.

But by and large, a giant district settles into the middle ground, or lower, and cannot possibly bring the highest kind of curriculum standards as we presently have.

• • •

I DO THINK that immediately after the defeat of this plan for unification, the elementary districts in the Cucamonga, Alta Loma and Etiwanda area should UNIONIZE as quickly as possible.

This has been recognized for a number of years as needed, and also politically acceptable to the people. This move will help set up the area for a high school district, which is what the people there really want. Unionization of the elementary districts would help bring this about and make it more possible.

In the meantime, everybody should vote NO on the forced one-big-district unification proposal.

'Welcome 63rd Week'

WHEREAS: the arrival of the new aircraft model C-141, "Inland Empire" at Norton Air Force Base, California, activates a new and dynamic operational mission for the 63rd Military Airlift Wing and Norton Air Force Base, and

WHEREAS: this new impetus to military activity occurs in its 25th Anniversary Year of Norton Air Force Base, and

WHEREAS: Norton Air Force Base is an important part of the community, and we acknowledge our appreciation for the dedication to duty of the personnel of the 63rd Military Airlift Wing serving as a unified team of Norton Air Force Base and the United States Air Force, and

WHEREAS: it is appropriate that our gratitude for this devotion by the personel assigned to the 63rd Military Airlift Wing and Norton Air Force Base be given concrete expression.

NOW, THEREFORE: I, James L. Christensen, Mayor of the City of Upland, do hereby proclaim April 8 through April 15, 1967 as

"WELCOME 63rd WEEK"

for the observance of the arrival of the first C-141 Aircraft named "Inland Empire" on the 25th Anniversary Year of Norton Air Force Base, and call upon our fellow citizens to dedicate this observance to closer unity and more common effort between the local community and Norton Air Force Base.

IN WITNESS WHEREOF: we hereunto set our hand and cause the seal of the City of Upland to be affixed.

DONE at the City of Upland this 22nd day of March in the year of our Lord, nineteen hundred and sixty-seven.

James L. Christensen
MAYOR OF THE CITY OF UPLAND

Upland School District Candidates

Wendell Harmon

Autobiography

I have served on the Upland school board for eight years, and during that time I have had four children in the Upland schools.

I originally ran for a position on the board to carry a small share of the responsibility for the betterment of our community. Steven is now a sophomore at Chaffey College, Jan a sophomore at Upland High, Sally an eighth grader, and Laurie a fourth grader. I have lived in Upland for 28 years.

I am an instructor in history at Mt. San Antonio College, and my wife, Frances,

I am an instructor in history at Mt. San Antonio College, and my wife, Frances, is a teacher at Valle Vista School, Central district. I graduated from Pomona College with the A.B. degree, from Claremont Graduate School with the M.A. degree, and I received the Ph. D. degree from UCLA in 1955.

Our family are members of the Upland Brethren in Christ Church, where I teach a sixth-grade Sunday School class and serve on the Church Board.

Statement

The eight years I have served on the Upland school board have been years of unprecedented growth. During that time it has been necessary for the district to open an average of almost one school a year to keep pace with the expanding Upland population.

Our school housing and educational techniques have kept abreast of the growing need and we have had only a minimum of double sessions or other disruptions in our instructional program.

This orderly growth has been due to the foresight of the board and administration in anticipating school needs by securing sites and planning schools well in advance of need. But the greatest credit for Upland's fine school system must be given to the people of the community who have supported the district officials with their loyalty and concern.

They have never failed to pass a school bond issue and this has made it possible for the educational program to grow and improve without interruption. The board and administration have tried to be honest, responsible, and completely frank in their requests for finances and the voters have responded in an equally responsible manner.

This cooperative relationship among board, administration, staff, and citizens has made school board service a rewarding experience. This is the reason I am placing my name on the ballot again.

Unification

I am opposed to unification of the Chaffey district at this time and under the conditions as now proposed. I believe the Upland district stands to gain little and lose much in a larger district. We have now reached what I feel to be about an optimum size for an elementary school district, one in which all the necessary educational services and facilities can be offered but one which is not so large as to be highly impersonal.

Upland has a community identity and a tradition of harmonious school relationships which should not be sacrificed without substantial advantages to take their place.

I do not feel that unification will bring any substantial advantages, either in financial gains or improved educational facilities and services. It is conceivable that unification may be desirable in the future under certain circumstances, but I do not feel that the all-Chaffey district proposal is advantageous for Upland at this time.

John Grdjan

Autobiography

I am an Educational Psychologist and at present have a private practice in Educational Therapy in the Upland Area while doing research and writing in the field of Physical Psychology. I also have a background in Medical Psychology and Rehabilitative Counseling on a state, county, and school level. My educational background reflects a Bachelor's and Master's degree in Psychology and Educational Psychology from UCLA. I have also taken course work in the graduate schools of University of Southern California, Los Angeles State College, and Claremont.

My wife, Joan, and my children, Laura and Scott, make up our family of four. Basically my family has been the reason for my first bid for public service. Laura, now in the first grade, and Scott, who will be entering kindergarden in the fall, are my reasons for at this time turning my attention from personal family needs to the community.

My own personal belief that the beginning of any undertaking is the most important part of it, is both my springboard into public service as a candidate for the Upland Elementary School Board as well my attempt to serve the needs of my wife and children through serving the needs of my community.

Statement

I have previously briefly alluded to the reasons for my candidacy for the Upland Elementary School Board at this particular time. I do, however, have more than just a personal interest in the welfare of the Elementary School System. From my perspective, the elementary school is now the last stronghold for the education of the "whole" child. In a age in which it appears that a parents only choice is to either have one large computer surrounding 20 little humans or one large human surrounding 20 little computers. I am still of the belief that the "give" and "take" of family life can be mirrored in the classroom.

There are many signs which I see daily which, to me, point to science racing with breakneck speed to the moon as much to escape the trail of broken minds and bodies it has tossed into our laps as it has been attracted to the excitement and adventure of the "unknown."

Unification

Personally I feel that there is as many reasons "for" as "against" unification. Ideally one hopes that through "unity" there is strength. One, however, seldom comes close to the ideal. While I am ignorant of the many issues involved in the argument, it appears to me that the essential issue is whether the "quality" of the expected improvement is worth the "quantity" of the expected cost. My own recommendation to the voters is that if you are generally satisfied with the quality of education in your district, stick with what you know; while if you are dis-satisfied take hope that a change will give you the most for your money.

Unfortunately below every proposal lies subtle issues which are designed to polish the voter's apple while hiding the "worm" which lies within. This, however, by most voters is taken for granted. My particular beliefs tell me that anytime a proposal reflects the policy that "what is good for all," take a second look.

Personally I like things that are small and to me the Upland Area is small enough, yet strong enough, to remain being "small.;;

Floyd Allen

Autobiography

My name is Floyd G. Allen and I live at 1489 N. Euclid Ave., Upland. A native Californian, I have lived in Upland since 1954. I have served as a member of the board of trustees of the Upland School District for 11 years. My wife is the former Phyllis Atwood. We have a married daughter, Mrs. William F. Ryan Jr., and another daughter, Jeannette, a junior at Upland High School.

My educational background includes graduation from San Jose State College in 1940 plus extensive graduate study in education and psychology at the Claremont Graduate School. I hold a California General Secondary Credential and a General Pupil Personnel Services Credential.

I have been employed by the State of California, Department of Rehabilitation as a vocational counselor since September 1946.

My military service has included tours of active duty with the Army during World War II and the Korean conflict. I am now a member of the retired reserve with the rank of major.

My church affiliation is the First Presbyterian Church of Upland.

In addition to my activities on the board of trustees of the Upland School District I am a member of the San Bernardino County Committee on School District Organization.

Statement

The Upland School District has an enviable record of accomplishment. The major credit for this must go to the citizens of the community who have given continuing encouragement and financial support to the board and administration. Equal credit is due to our competent administrative staff and a corps of dedicated teachers. Our successes are also due to the loyalty and hard work of the classified personnel.

Some of the noteworthy accomplishments of the district are:

1. A continually improving academic program stressing reading, mathematics, and science.

2. Classes for the educable and trainable mentally retarded, the emotionally handicapped, and the hard of hearing.

3. A pilot program in reading using the Initial Teaching Alphabet.

4. A building program that has resulted in maximum value for every dollar spent. Construction bids have consistently been below state maximum.

5. The Upland School District has continued to raise the level of the educational program and it is anticipated that no tax increase will be necessary for its support in the coming year, based on present law.

6. The district is solvent.

It is my hope to continue to serve with the other members of the board as we strive to further improve your educational program.

Unification

The philosophy behind the concept of unification is sound. The proposal confronting the voters of this area, however, is unsuitable to meet the educational needs of the communities involved for the following reasons:

1. The proposed district would be so large that it would create an unwieldy mechanism for coping with educational problems of the district. It would be difficult for the board and the administration to know and respond to the wishes of the pople. The potential for growth will only increase the problem.

2. The unification proposal is the same one that was defeated two years ago. There has been no change that would make the proposal more suitable.

3. One can reasonably expect that the present legislature will see fit to make changes in the law that could make the process of unification more responsive to the wishes of the people in the communities concerned.

4. An analysis of the financial picture indicates that there would not be a tax saving under unification. In fact, the probability is that costs would increase.

In view of the above, it would seem wise to defeat the present proposal and await the results of legislative action before submitting a more appropriate plan for unification.

Louise Jaggers

Autobiography

Louise Arroyo Jaggers, resides at 1111 W. 21st St., Upland, Calif. - Phone 984-5418 or 982-7709.

I have resided in Upland 12 years. Currently I am deputy registrar of voters, Mexican-American Field Representative for Sen. William E. Coombs, associate state Central Committeewoman, temporary chairman Mexican-American Cultural Association, Human Relations Conference, Ontario, Bilingual Jr. Theater director (Eligio Herrera, Advisor, Padua Hills Theater). In addition to being a homemaker, I am a Notary Public.

My husband, Max E. Jaggers, is a certified public accountant in Ontario. We have two sons, Karl and Richard.

My A.A. degree was received from Los Angeles City College; my B.S. in Business Education was received at UCLA; special teaching methods were studies at Los Angeles State College and Upland College. Honors were received in Alpha Mu Gamma where I was editor of the Newsletter and Foreign Language Honorary vice-president.

Experience consists of office management and accountant; elementary teacher for Mexican Consulate.

Statement

A higher base pay must be obtained locally to encourage teachers to accept public school teaching as a career. In addition, salary levels should be maintained in order to keep the teachers employed within the district.

The final implementor of the school purpose is the teacher. The higher academic requirements and the teachers' professional status must be re-evaluated.

Teacher's aides (in the classroom) and proctors (during lunch hours and at school crossings) would relieve the overload and make it possible for a teacher to better teach with a maximum benefit to the pupil.

Local recruiting should be intensified for total teaching time including summer programs. This is necessary for teachers' morale and income.

Parents must have personal contact for home rule to have a true meaning. It is necessary to have workable communication among the parents, teachers, and administration. How many have a child with an educational problem and are at a loss as to where or how to start to find a solution? Do you know the duties and responsibilities of a school board member? I did not until I became concerned! We must have means of personal contact!

Unification

I am opposed to the proposed unification at this election. This unification means the consolidation of all the elementary school districts within the Chaffey Union High School District which would be governed by one school board. This unified district would encompass 200 square miles. It would include nine school districts with a total of 35,000 students.

The cost will skyrocket because too large a governmental operation results in excessive overhead cost due to the high cost of top level administrators' salaries.

The many levels of administration required by unification would result in loss of local control and personal contact,

the pupil being the ultimate loser.

Unification imposes a distinct transportation disadvantage in bussing children not to the nearest school but regrouped in schools which may be further away for special purposes. The children in a present consolidated district are excused from the first and last class to allow for as much as four hours of total travel time thus reducing their education.

Consolidated administration has resulted in a shortage of books and supplies in areas within the district either because of favoritism or lack of contact with local area by a higher level of planning. The area having the largest concentration of population control the school board thereby their policies. Unification eliminates the home rule principle of education.

One of the worst fires in the nation's history occurred Oct. 9, 1871, when a forest in Peshtigo, Wis., burned, resulting in 1,152 deaths.

BEHIND THE HEADLINES.. or the 'Get it off' your chest department

Loneliness is the name of the game. The game is perhaps familiar to you who read this as Californians change jobs and move more often than any people in the world. But let me refresh your memory a bit.

"I was so lonesome walking up Euclid Avenue that I wanted somebody to say something to me even if it was just 'get off the street' " was the way Herbert E. Vogler, veteran realtor, Upland, described his first few weeks in town years ago. He was showing our family a house and we'd just had the experience of driving through Los Angeles, crowded city of strangers, to get to our new location of Upland.

Vogler, a Civil War history buff who thinks General Lee was greater than MacArthur, then told us the classic story of the man sitting on the side of the road being asked by strangers what kind of a town was up ahead. "What kind of a town did you come from?" he would ask, and each time he would tell the strangers the town was the same kind of a place they had left. The moral: you take your town with you. And its true.

• • •

Vogler's classic tale was identical to the one told us when we left West Sacramento by an old retired neighbor and one I heard years ago at a cross-roads in Florida, clear across the country. Such cliches are the folklore of America and like all such ancient lessons are based on profound philosophical truths.

A tip to the mover who wants to unload a truck and trailer load of furniture in a hurry. Contact your fire department. Those men stay in fine physical condition, are invariably clean cut, friendly types and usually want to earn some extra money. If you're loaded financially, which we aren't, the professional moving van people are the folks to call. I drove a U-Haul truck with trailer attached the 450 miles and my wife drove the station wagon carrying the three kids and towing a Volkswagen bug.

Don L. Morton, fire captain with Upland's East D Street fire station, and Fireman John Lombardo moved us in quickly and efficiently. They also gave us an official welcome to Upland.

Another tip for the game. Go to church. You don't have to believe the preacher, although it helps. You don't even have to make an effort to like the people, although that would help too. There is nothing that will make anyone feel at home quicker than sitting in a church on a Sunday morning anywhere in this land of freedom of religion. We beat the game at the First Presbyterian Church of Upland the first Sunday morning we were here. We knew we were going to like it before we went in. The Sunday schools took up more real estate than the sanctuary. It's a children oriented church and our family is that way too.

It might be of interest to Uplanders to know that our children found the elementary and junior high classes were ahead of West Sacramento schools in Spanish and language but slightly behind in other subjects. I don't mean the quality was behind. I can't judge that. But only that slightly more subject matter has been covered in most subjects in West Sacramento in Northern California.

The last tip to beat the game of loneliness. By all means move, if you must, during a school year. Most schools in California are comparable and your children will gain many friends to endure those long summer months.

Upland is a friendly town, probably our friendliest. It must be so. Mrs. Vey Hobbs, a resident of Upland back in 1910 who now lives in West Sacramento, tells the story of the donkey drawn street car of that era. After the donkey pulled the car over its route to the top of Euclid Avenue, it was put aboard and the car was allowed to coast back down the hill to allow the beast of burden to rest for the trip back up.

With a history like that, who could fail to like Upland.

Incidentally, as a newspaperman I already have a made to order crusade. The map at Ontario airport displayed on a wall to orient visitors, doesn't even list Upland. Every other town is there in crisp, clear type, including Fontana, Montclair, Claremont and even Cucamonga. But not Upland. Someone has crudely written in with blue ink the name of our town, but whoever put the original together just ignored Upland entirely. Some heads should roll.

James Waggoner field assignment

Army Pvt. James C. Waggoner, 20, son of Mr. and Mrs. Arthur L. Waggoner, 265 Amber Court, Upland, was assigned to the I Field Force near Nha Trang, Vietnam, Mar. 9.

Pvt. Waggoner, an artillery-man, entered the Army in September 1966 and was last stationed at Ft. Bliss, Tex.

He is a 1964 graduate of Upland High School.

Gas Franchise Payments Made

Southern Counties Gas Co. last week paid $2,474,726.93 to eight Southland counties and 105 of their cities in the form of franchise payments, according to Hugh Abbott, local manager for the utility.

Of the total amount, $1,015,956.16 went to Los Angeles County and 50 of its cities, while locally additional sums went to San Bernardino County, Riverside County, and cities within their jurisdictions.

San Bernardino County and four of its cities received payments as follows: County, $32,129.76; Chino, $13,341.15; Montclair, $14,937.04; Ontario, $43,203.32; and Upland, $24,367.07.

Adding the total franchise payments and property taxes paid by Southern Counties for 1966 gives a combined figure of approximately $10,863,500 which the gas company paid to counties and cities in which it serves gas or has property.

This combined total, Abbott pointed out, means that Southern Counties pays an average of more than $10 to local governments for each one of the more than one million customers it was serving as of year-end 1966.
